Hamish and Clyde visited
the River Carron, located in
the quiet Scottish town of
Falkirk!

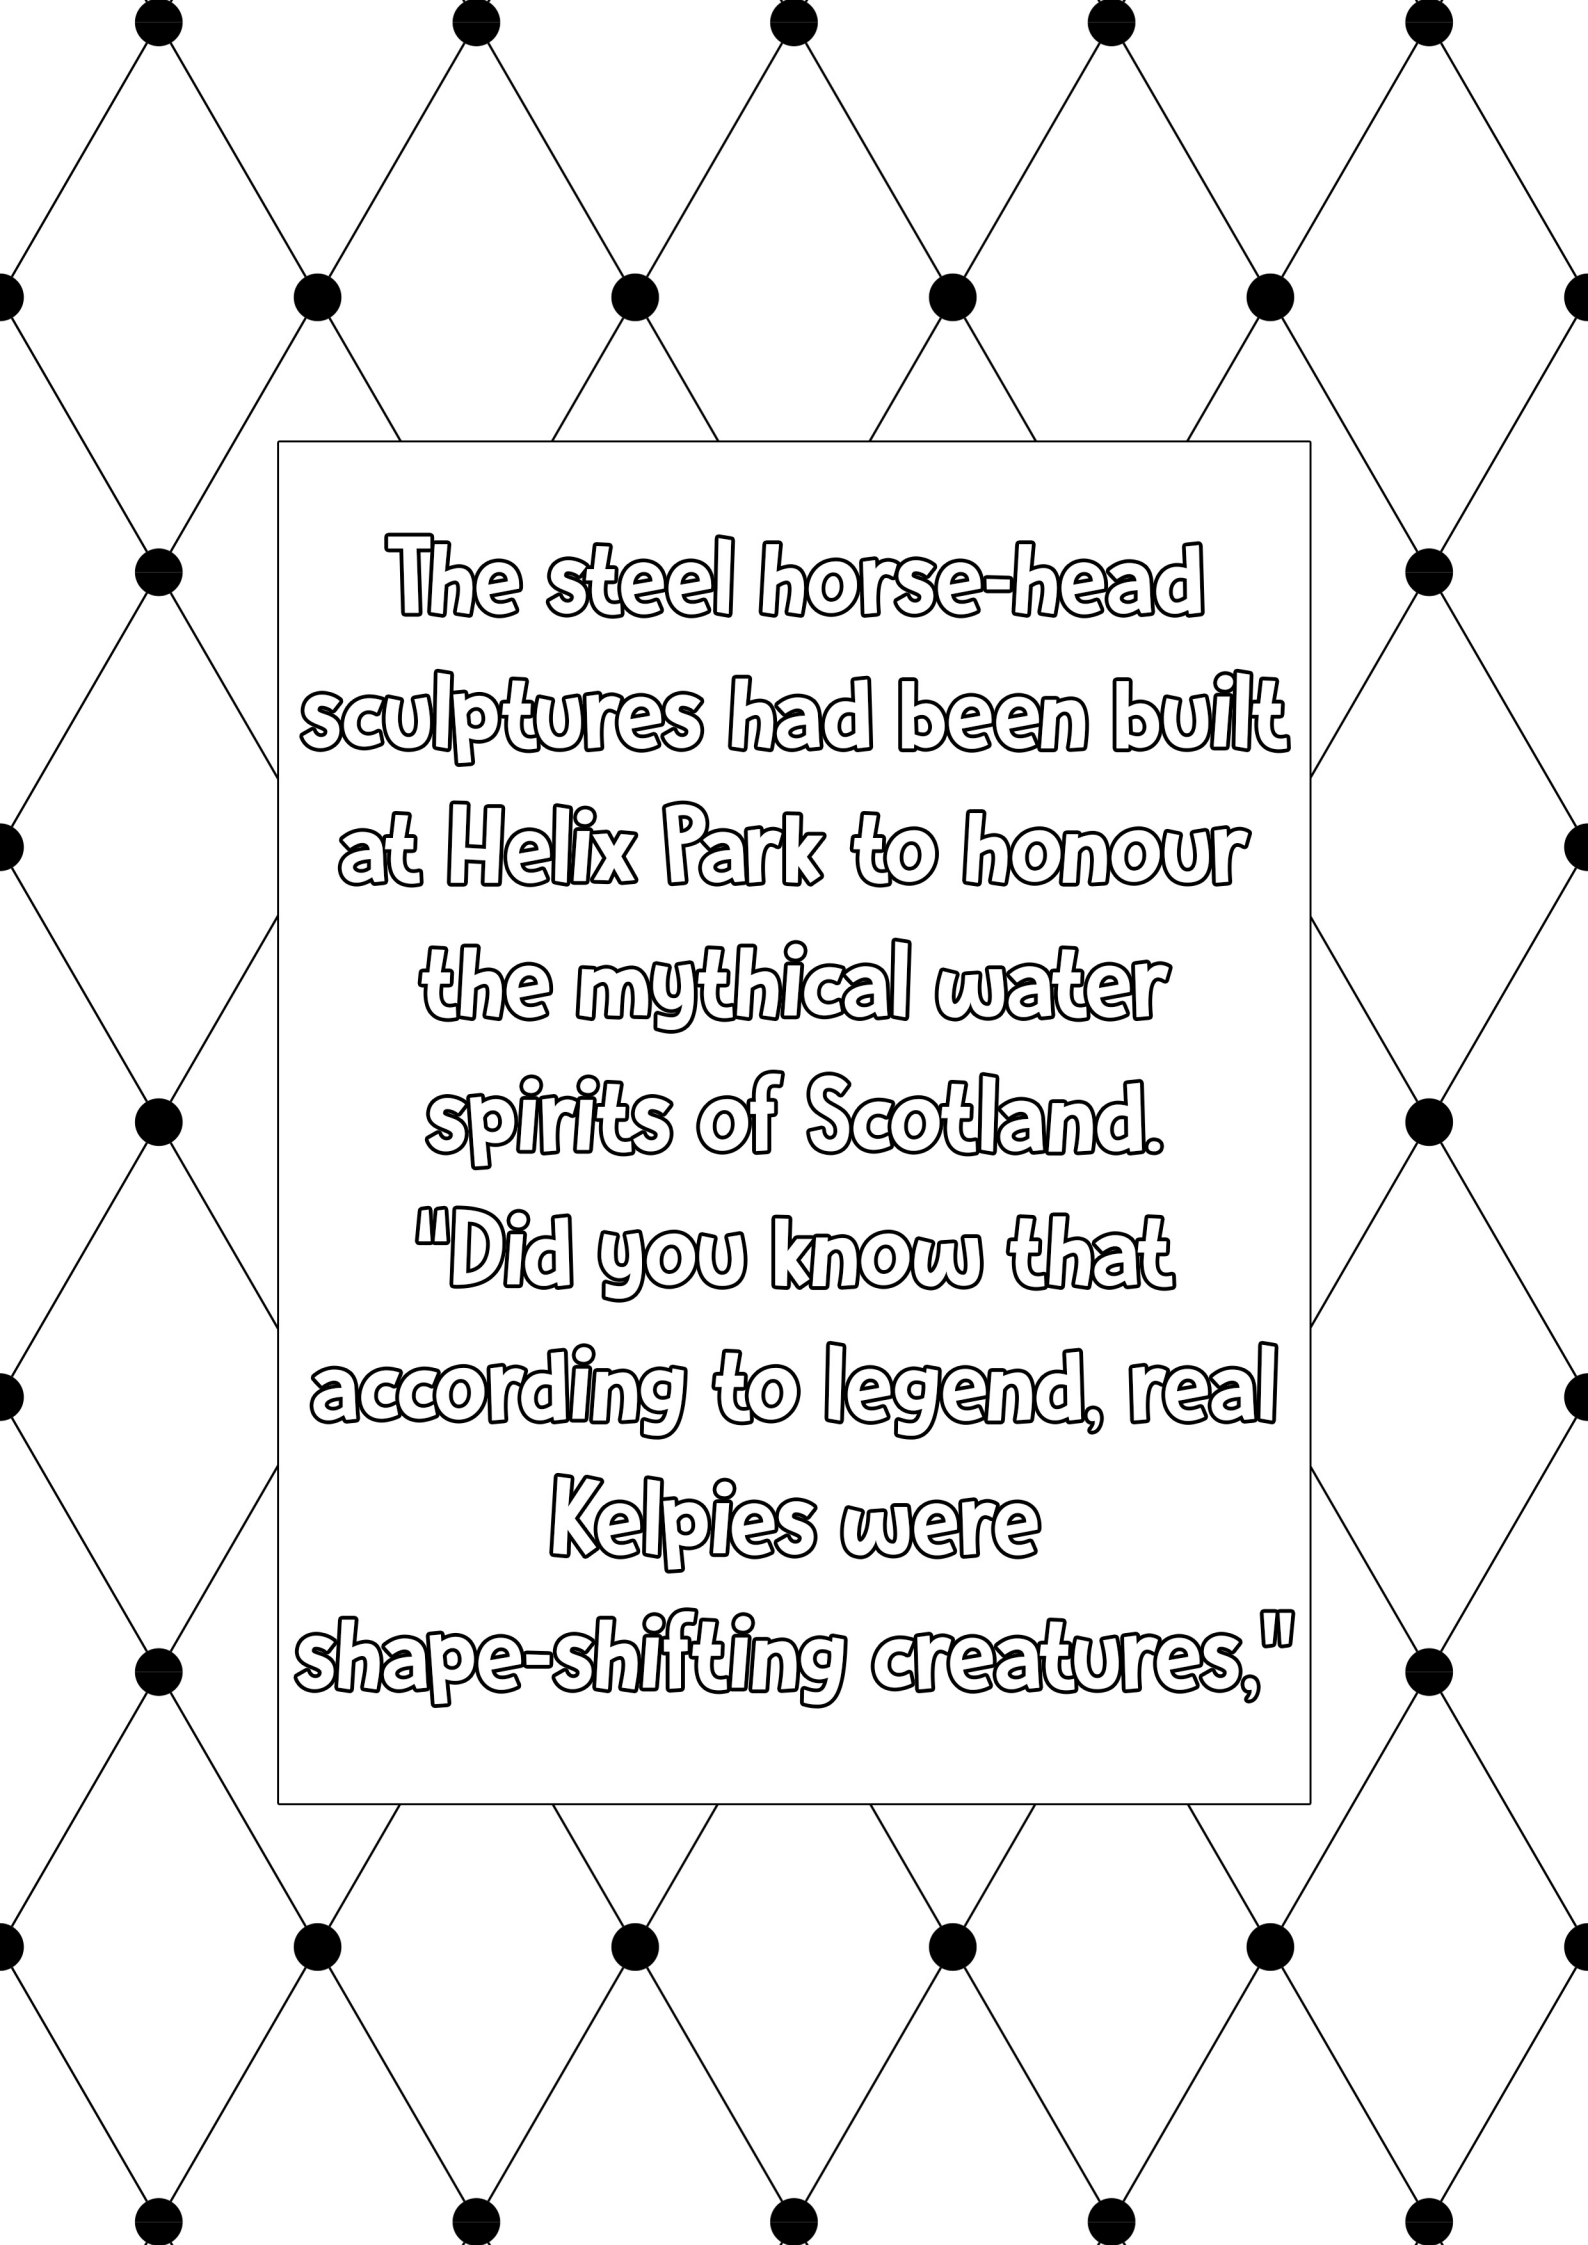

The Kelpies sculpture!

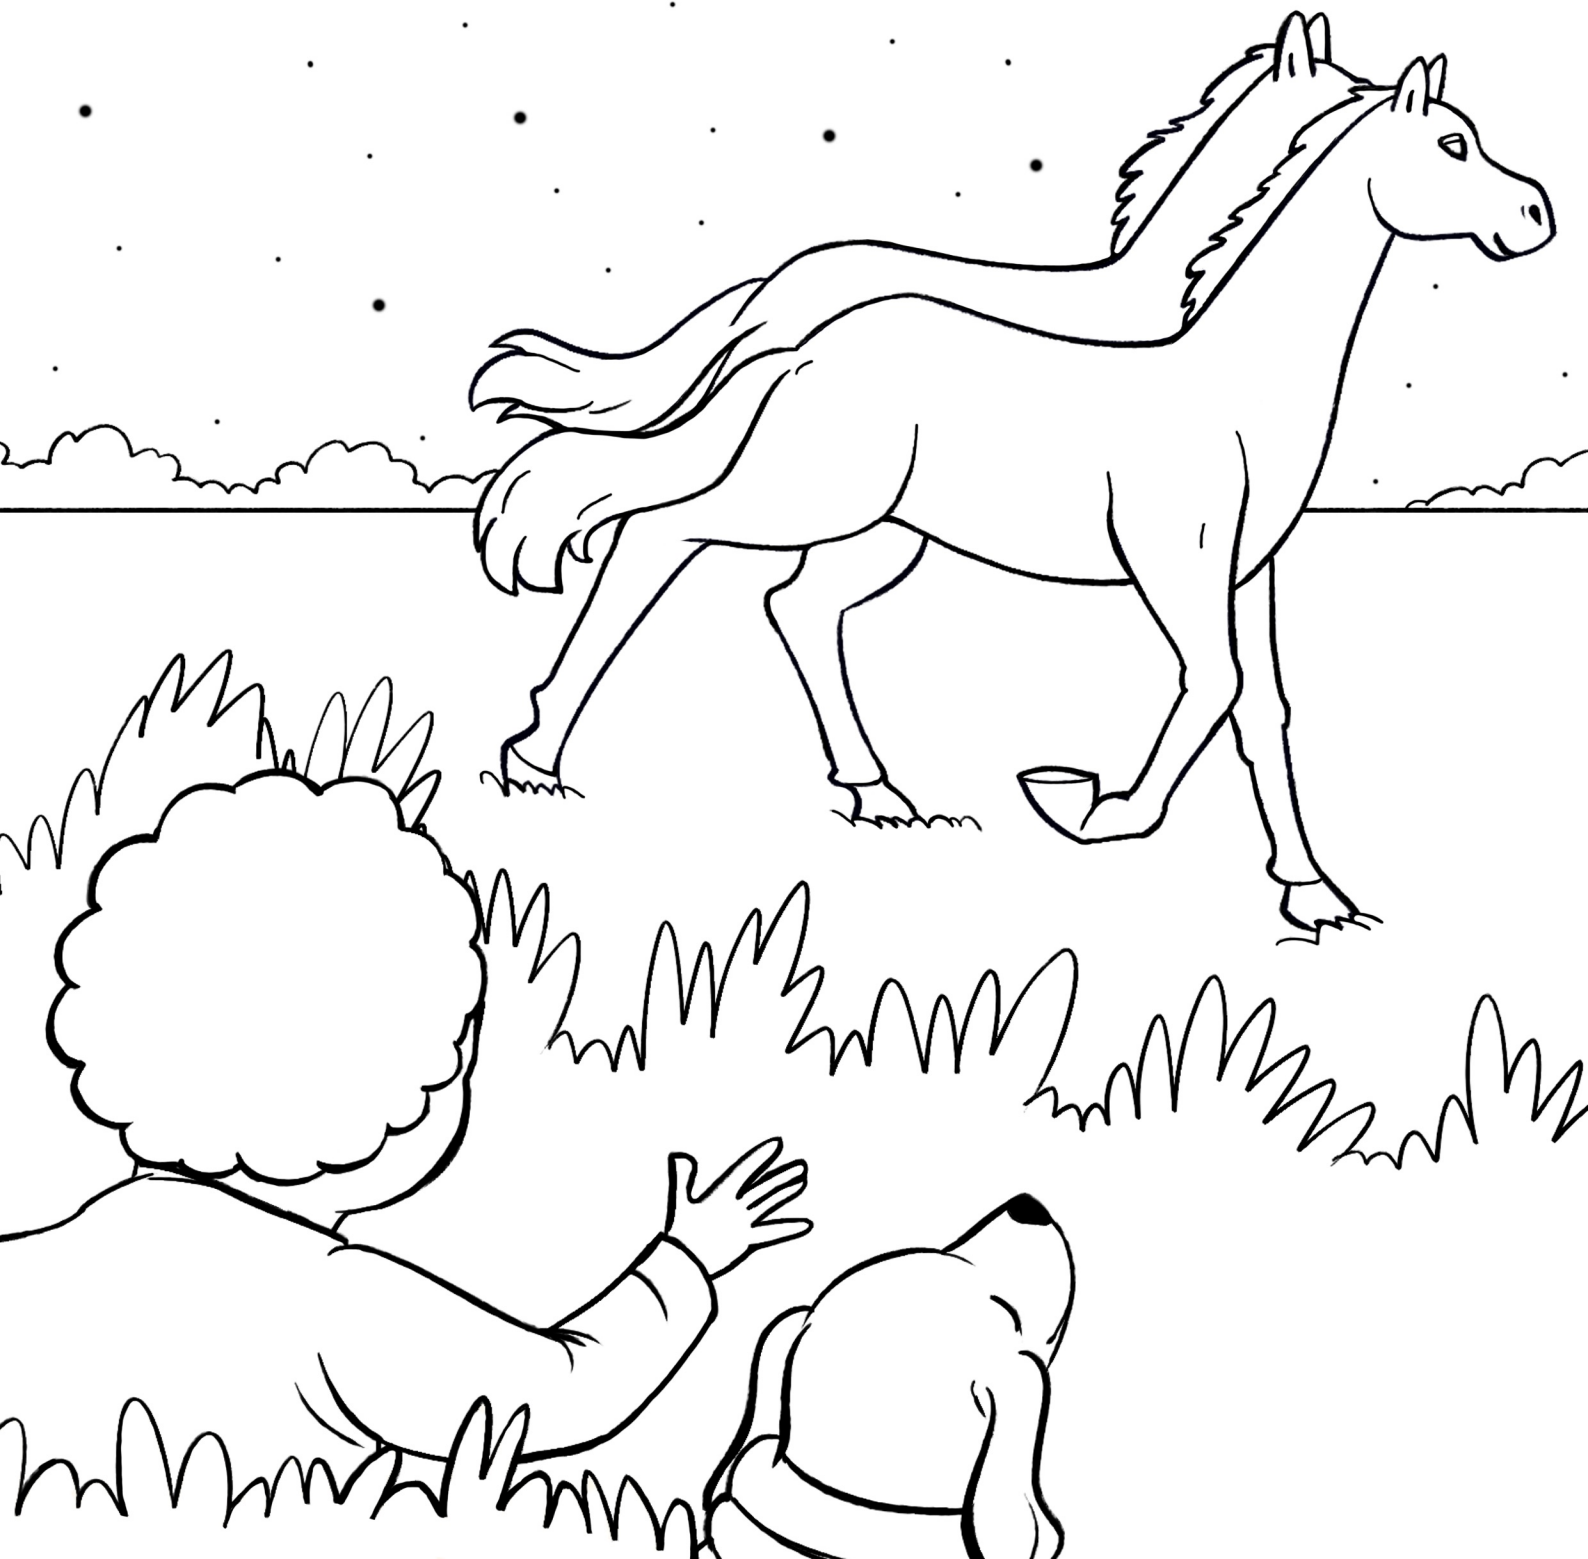

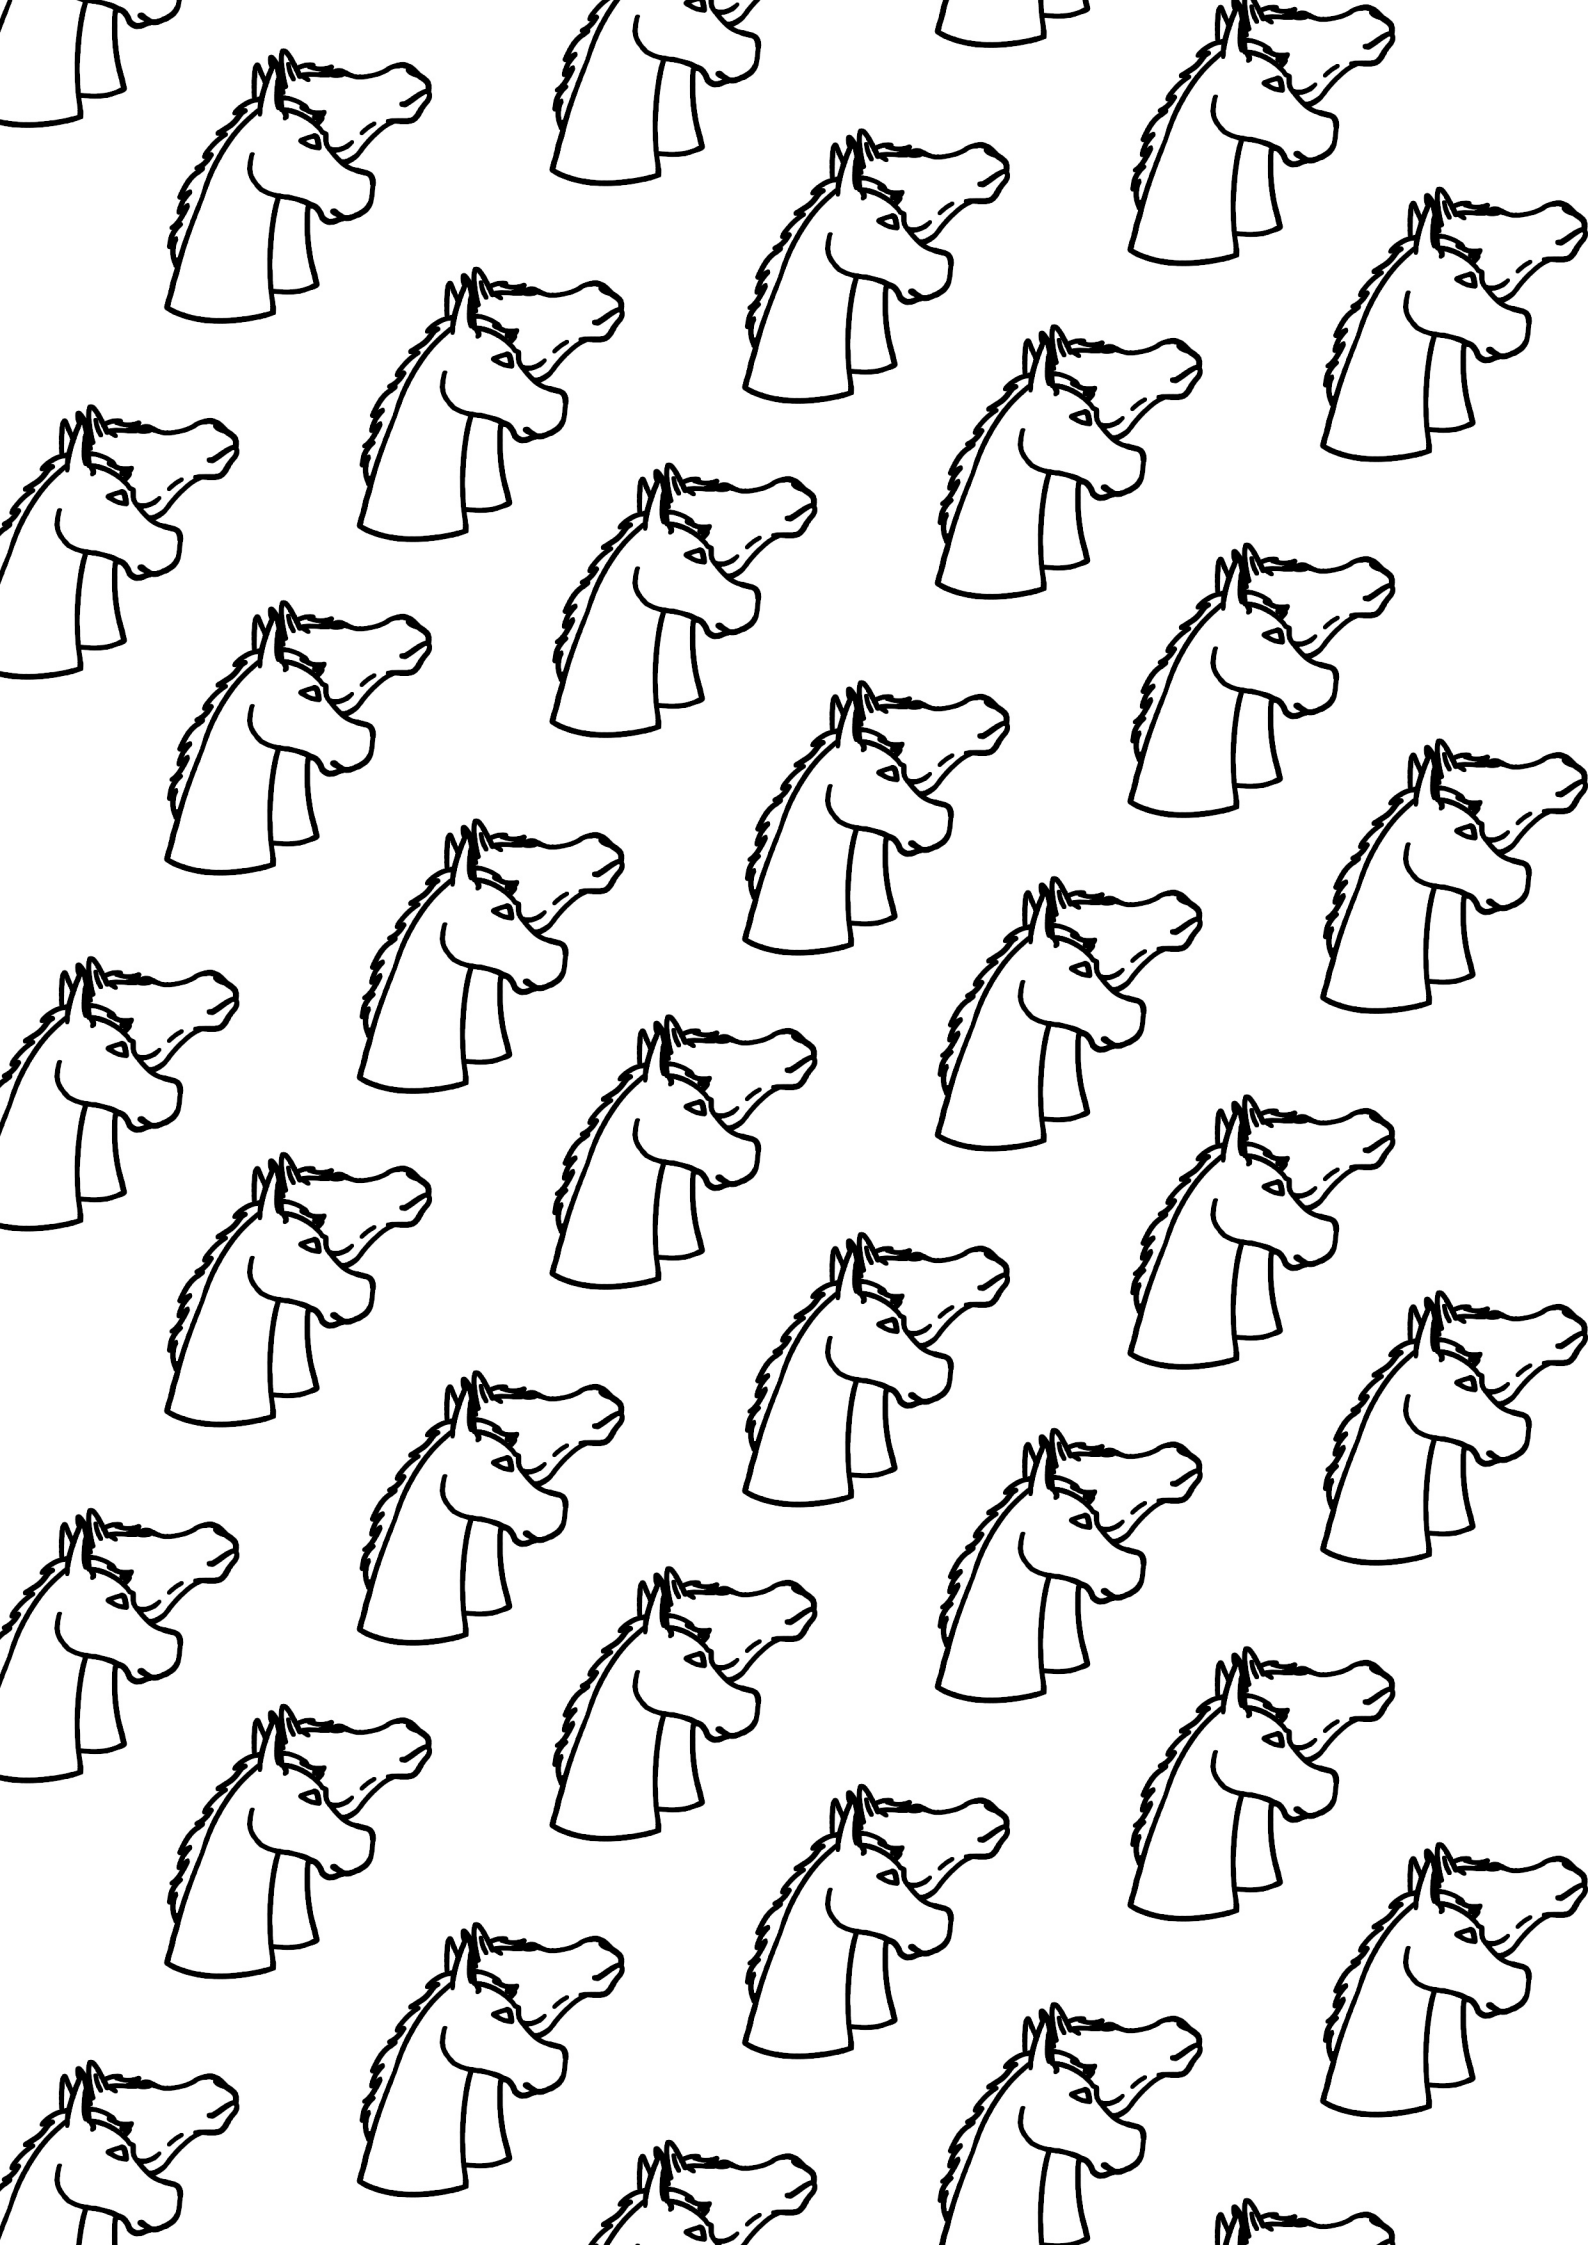

The steel horse-head
sculptures had been built
at Helix Park to honour
the mythical water
spirits of Scotland.

"Did you know that
according to legend, real
Kelpies were
shape-shifting creatures,"

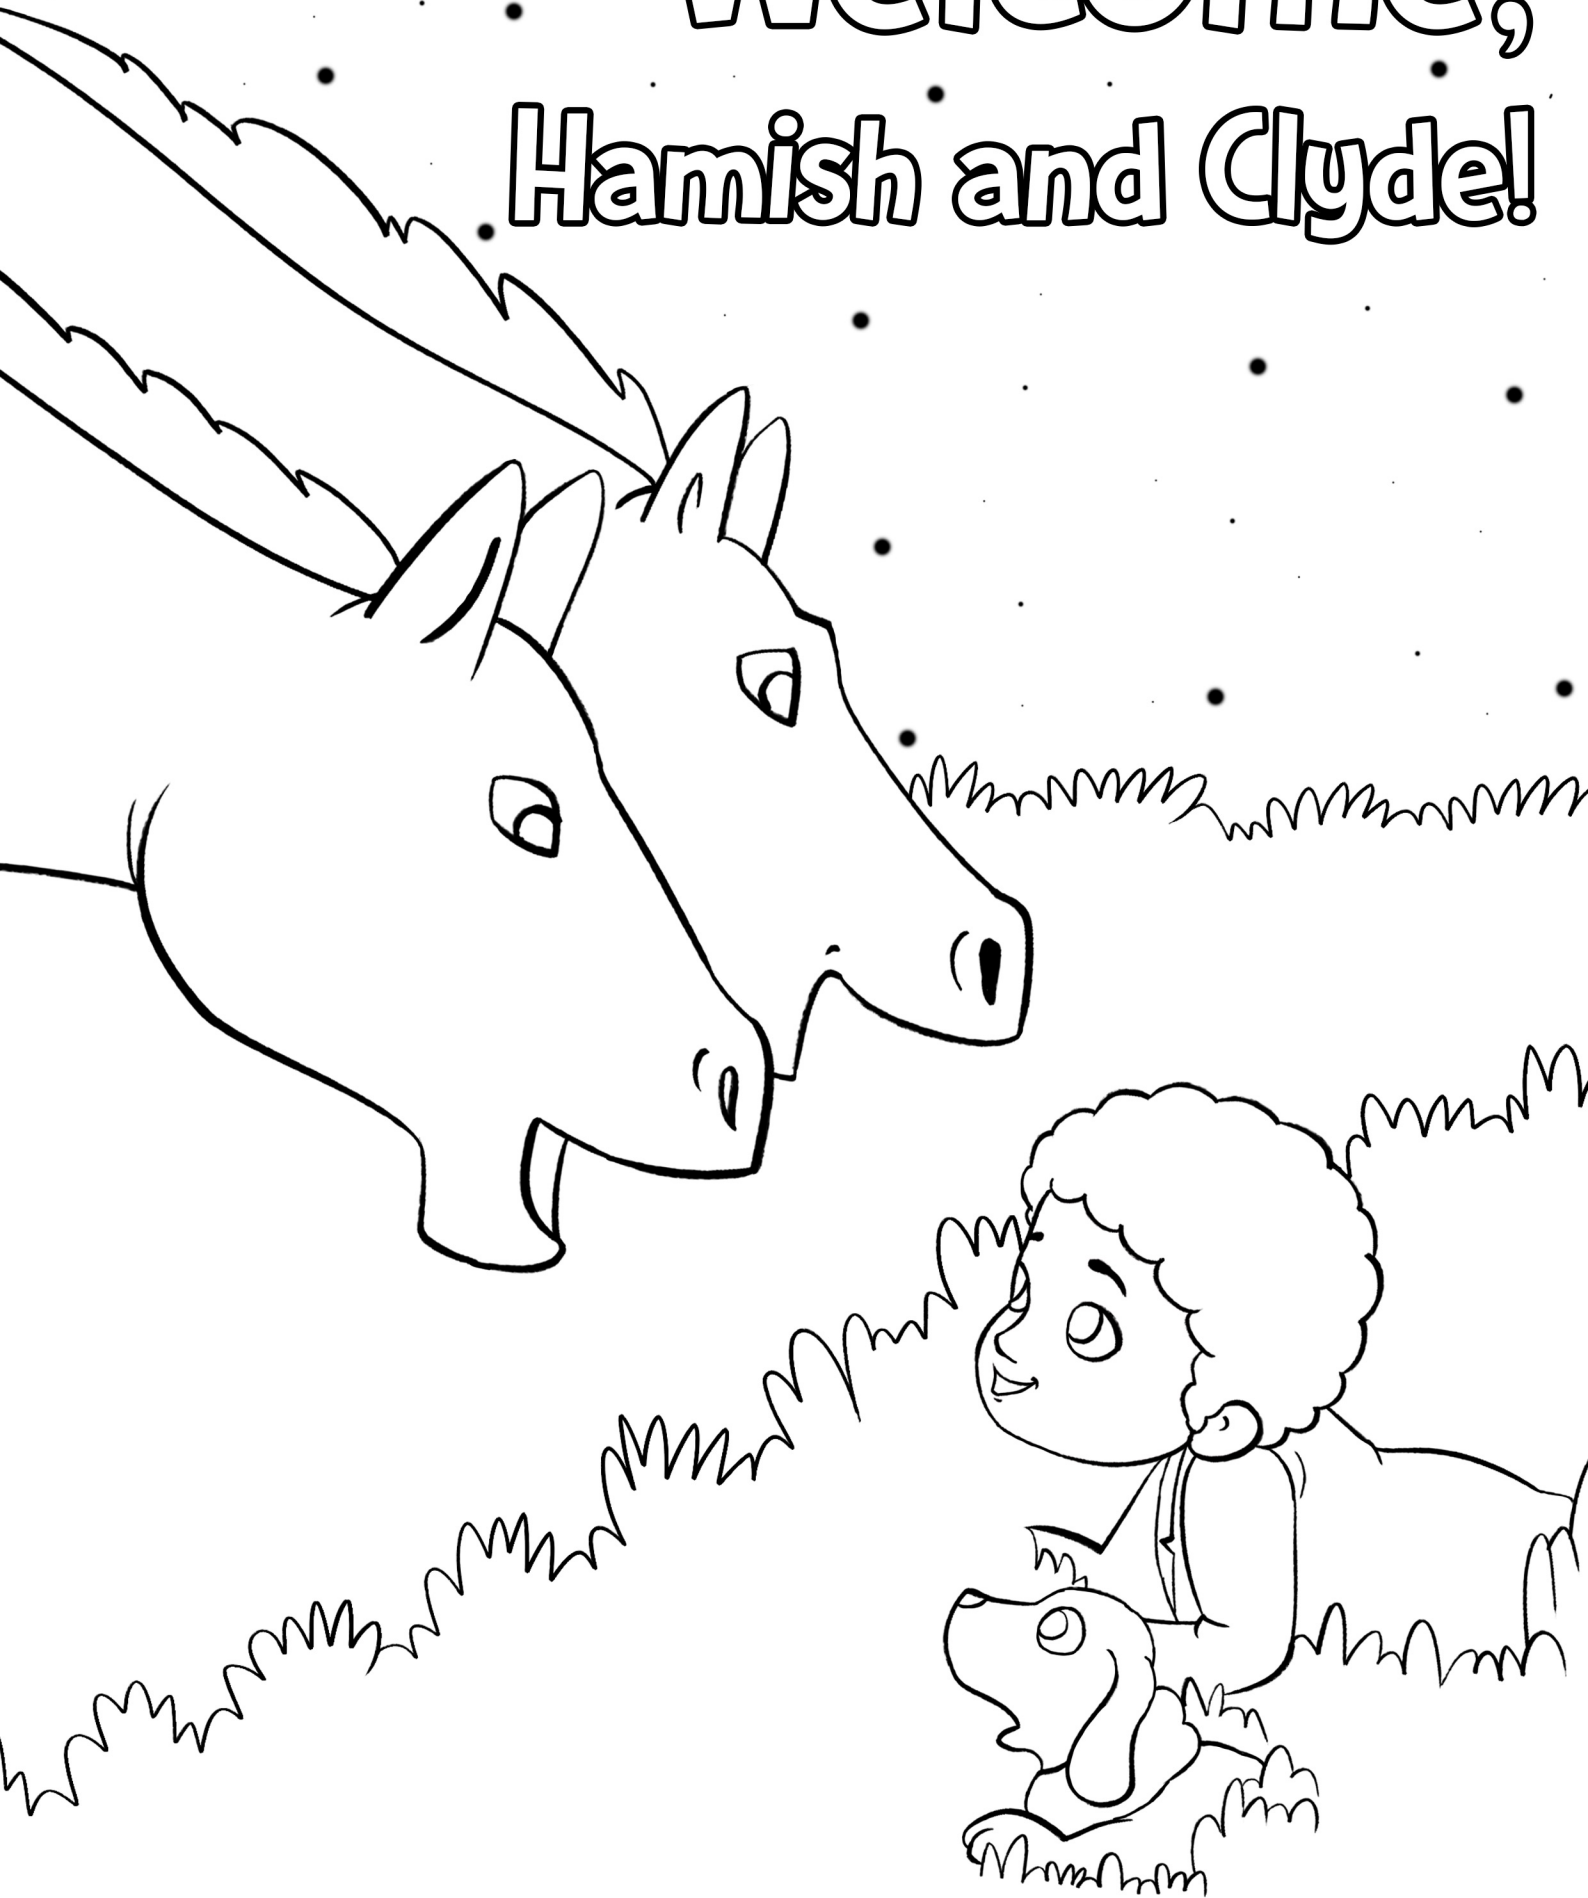

The Kelpies

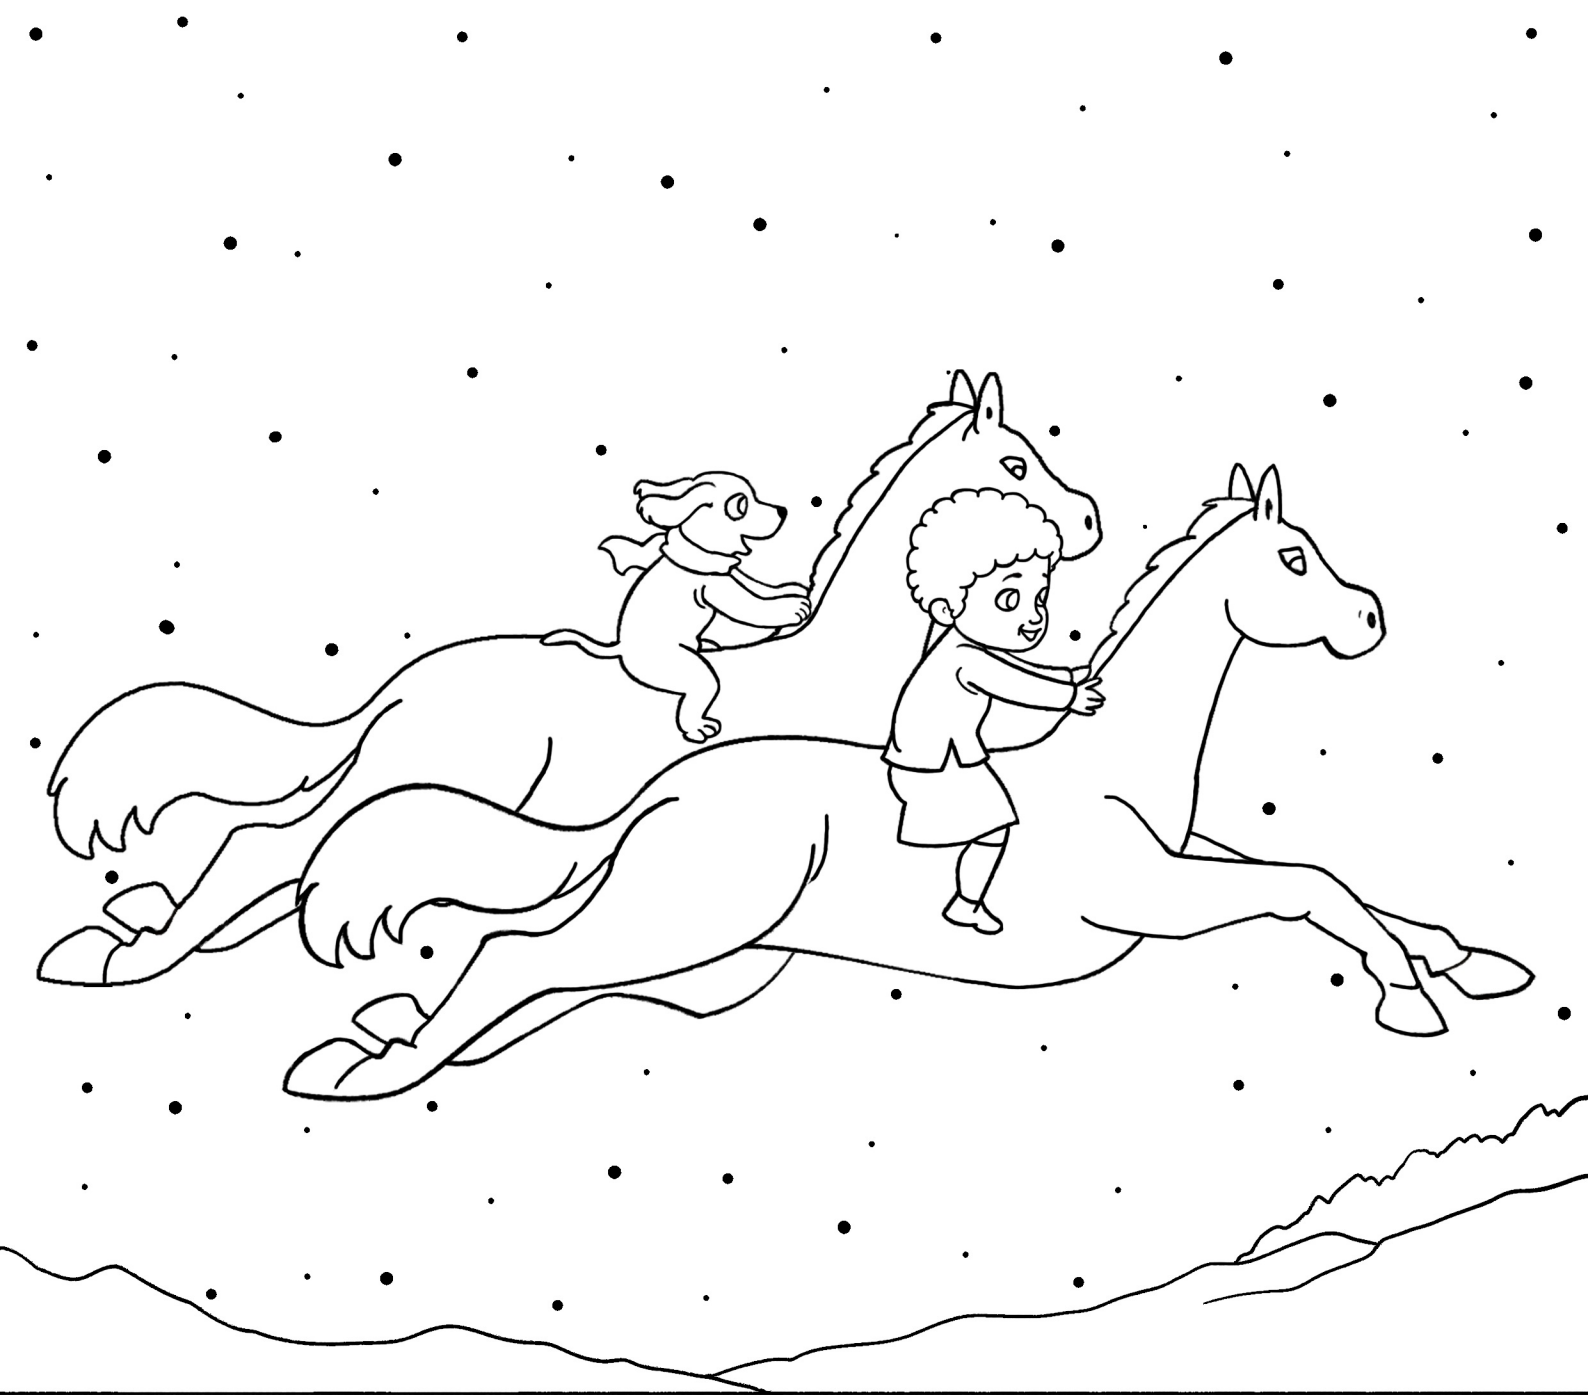

come alive!

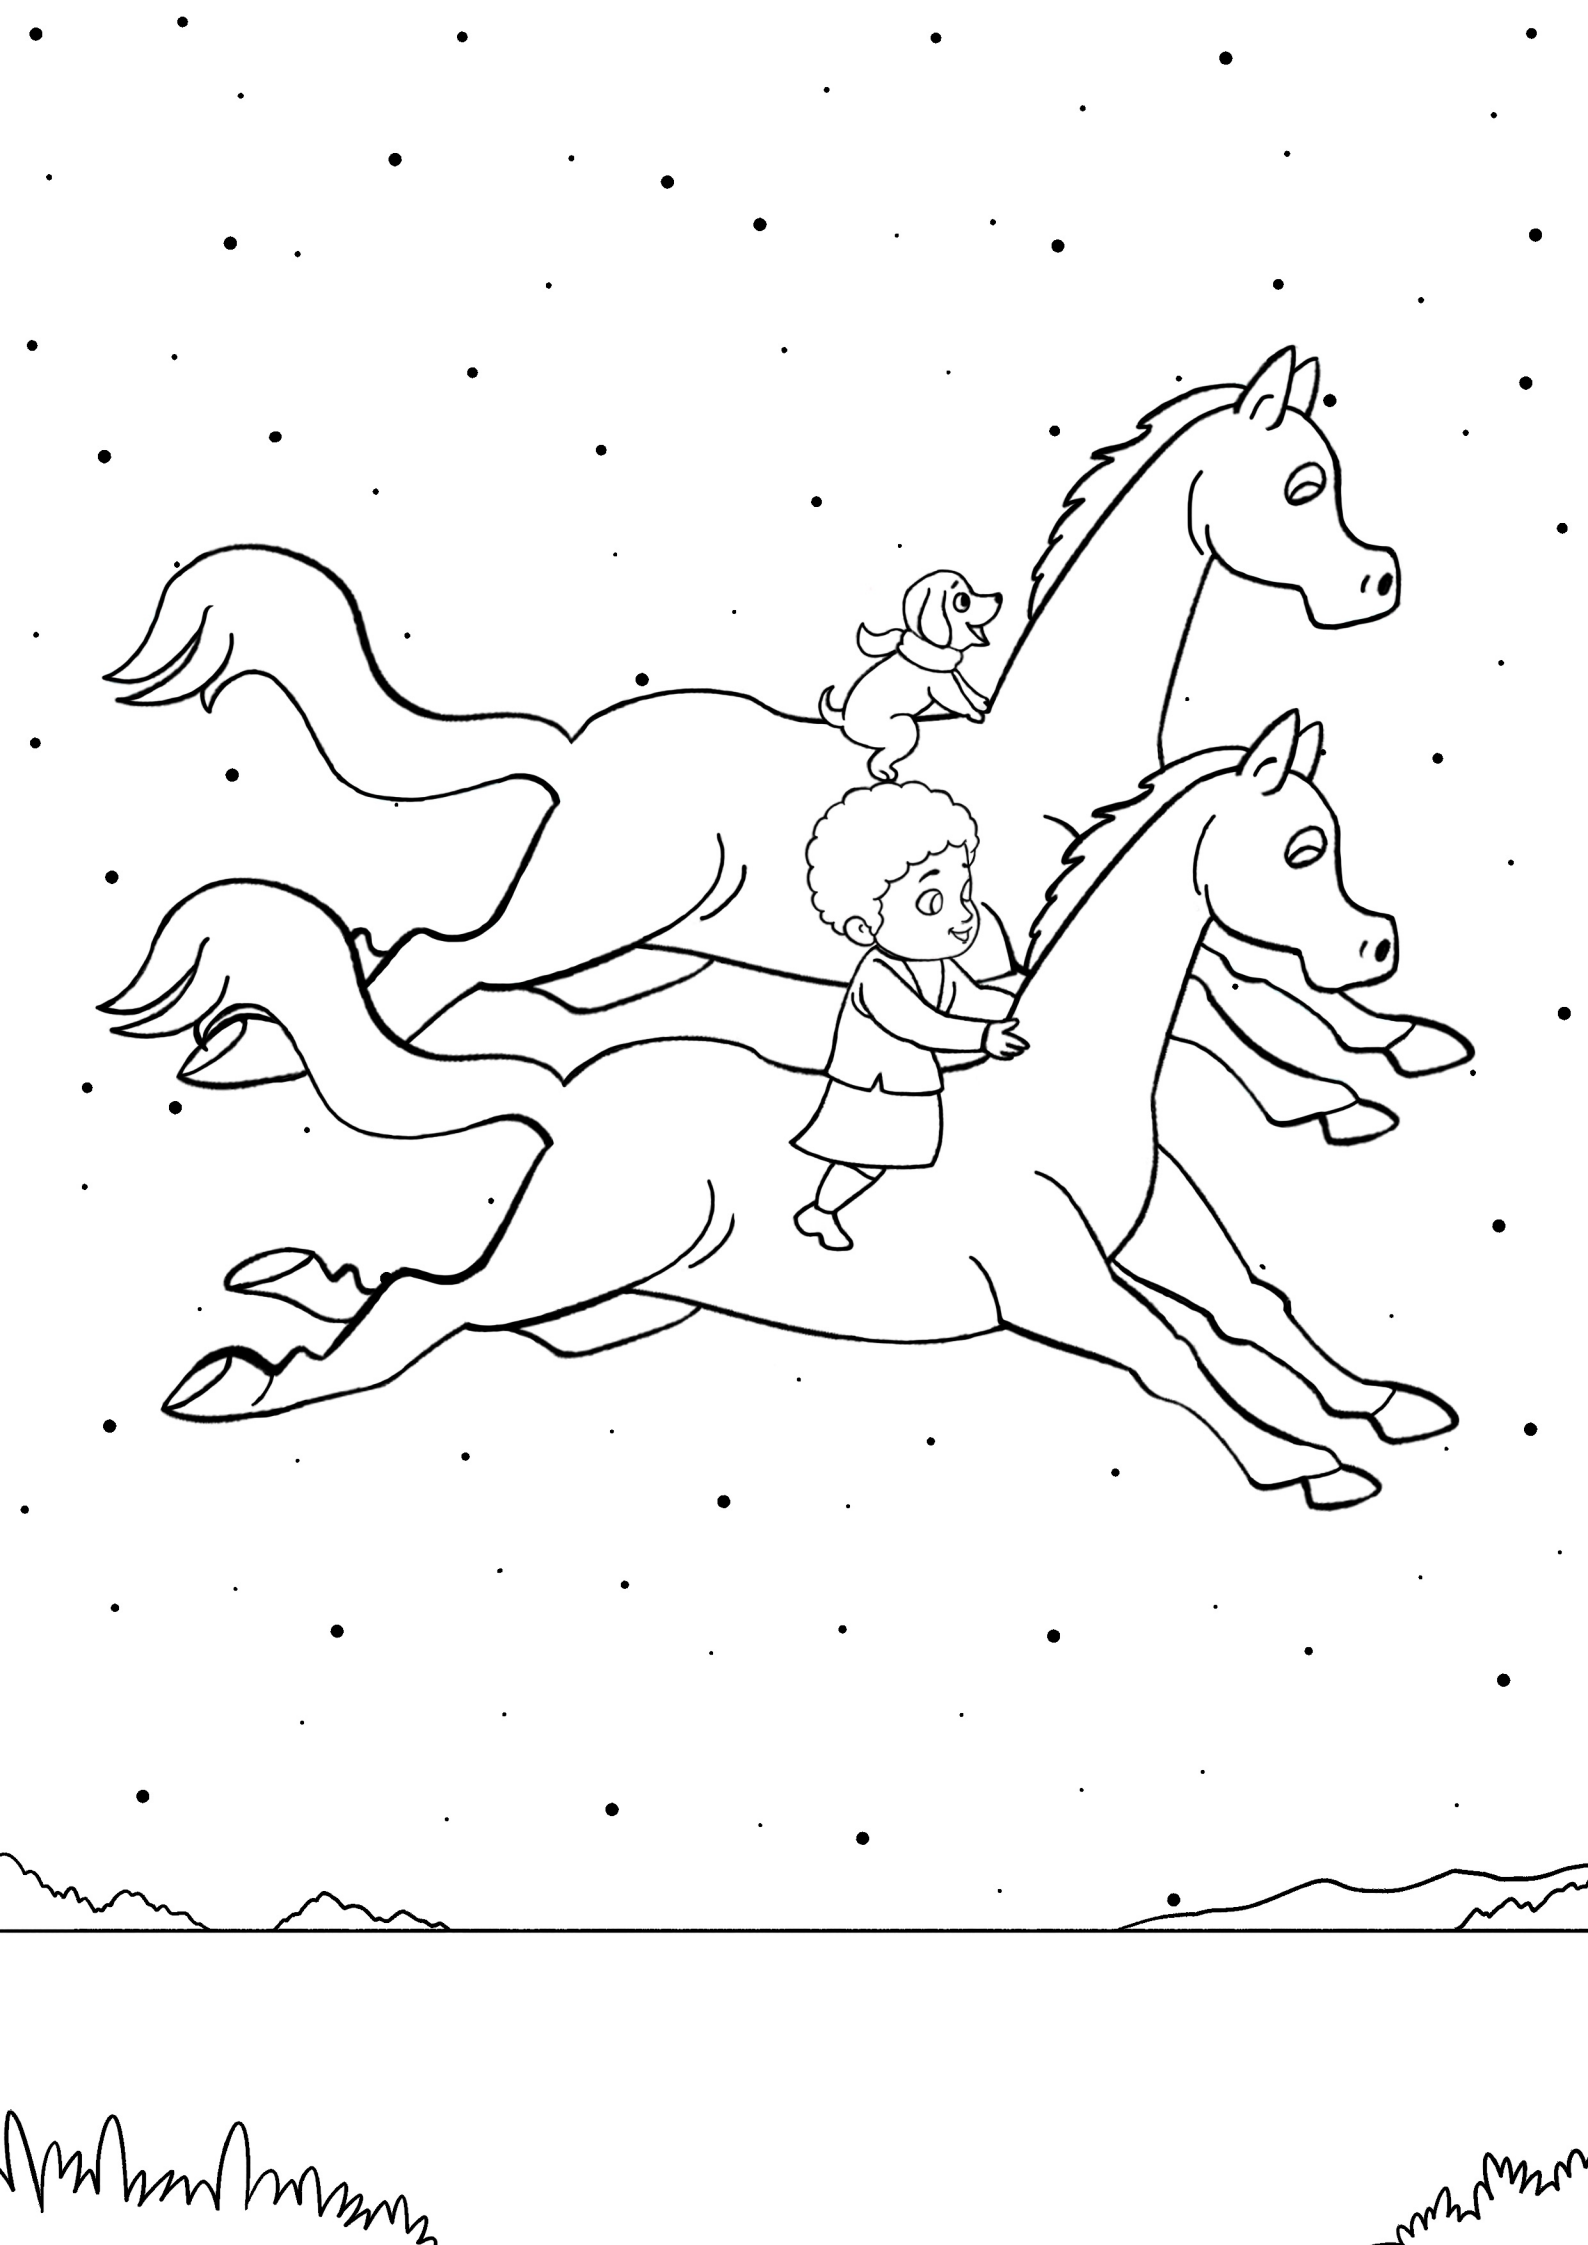

Welcome,
Hamish and Clyde!

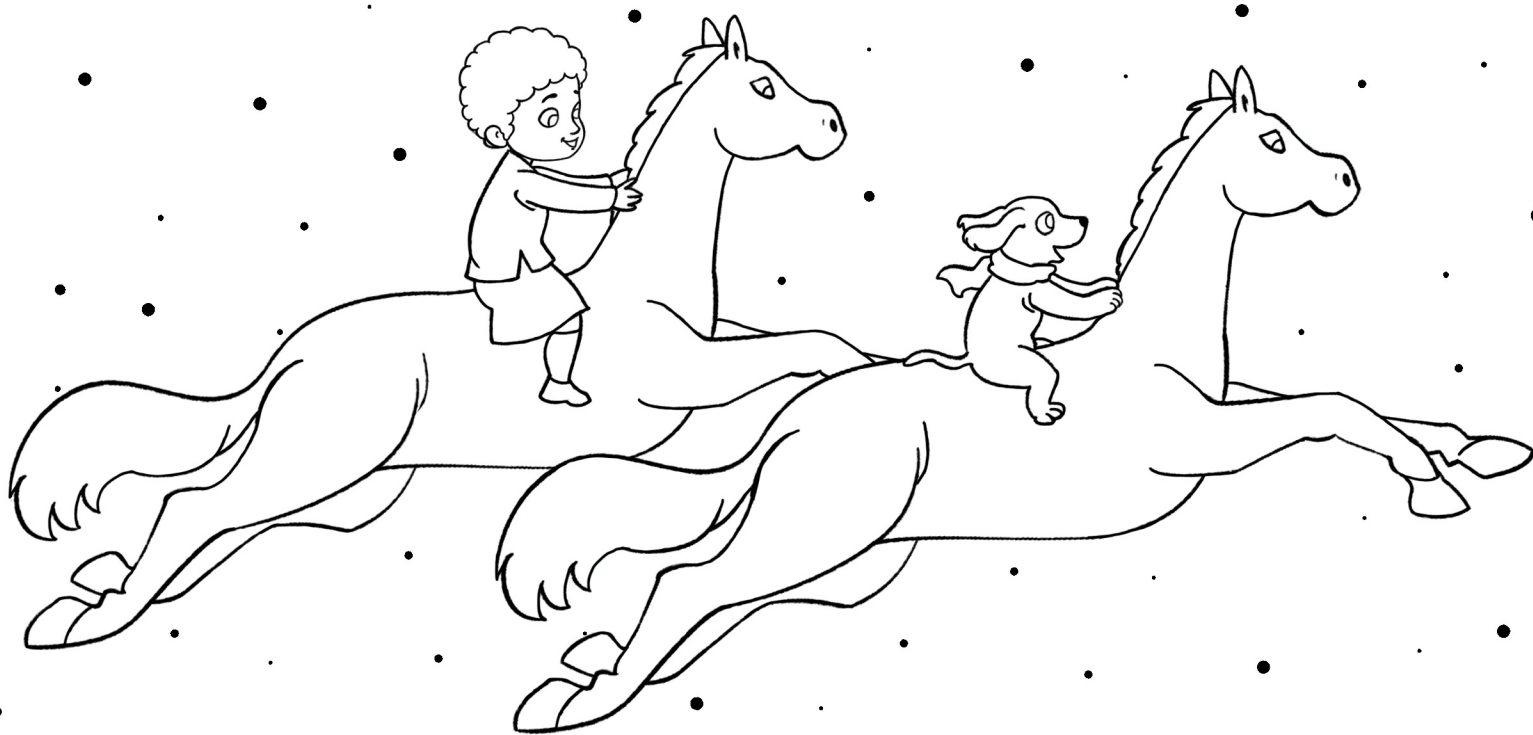

"The moon has chosen
you for a special
journey. Climb aboard!"

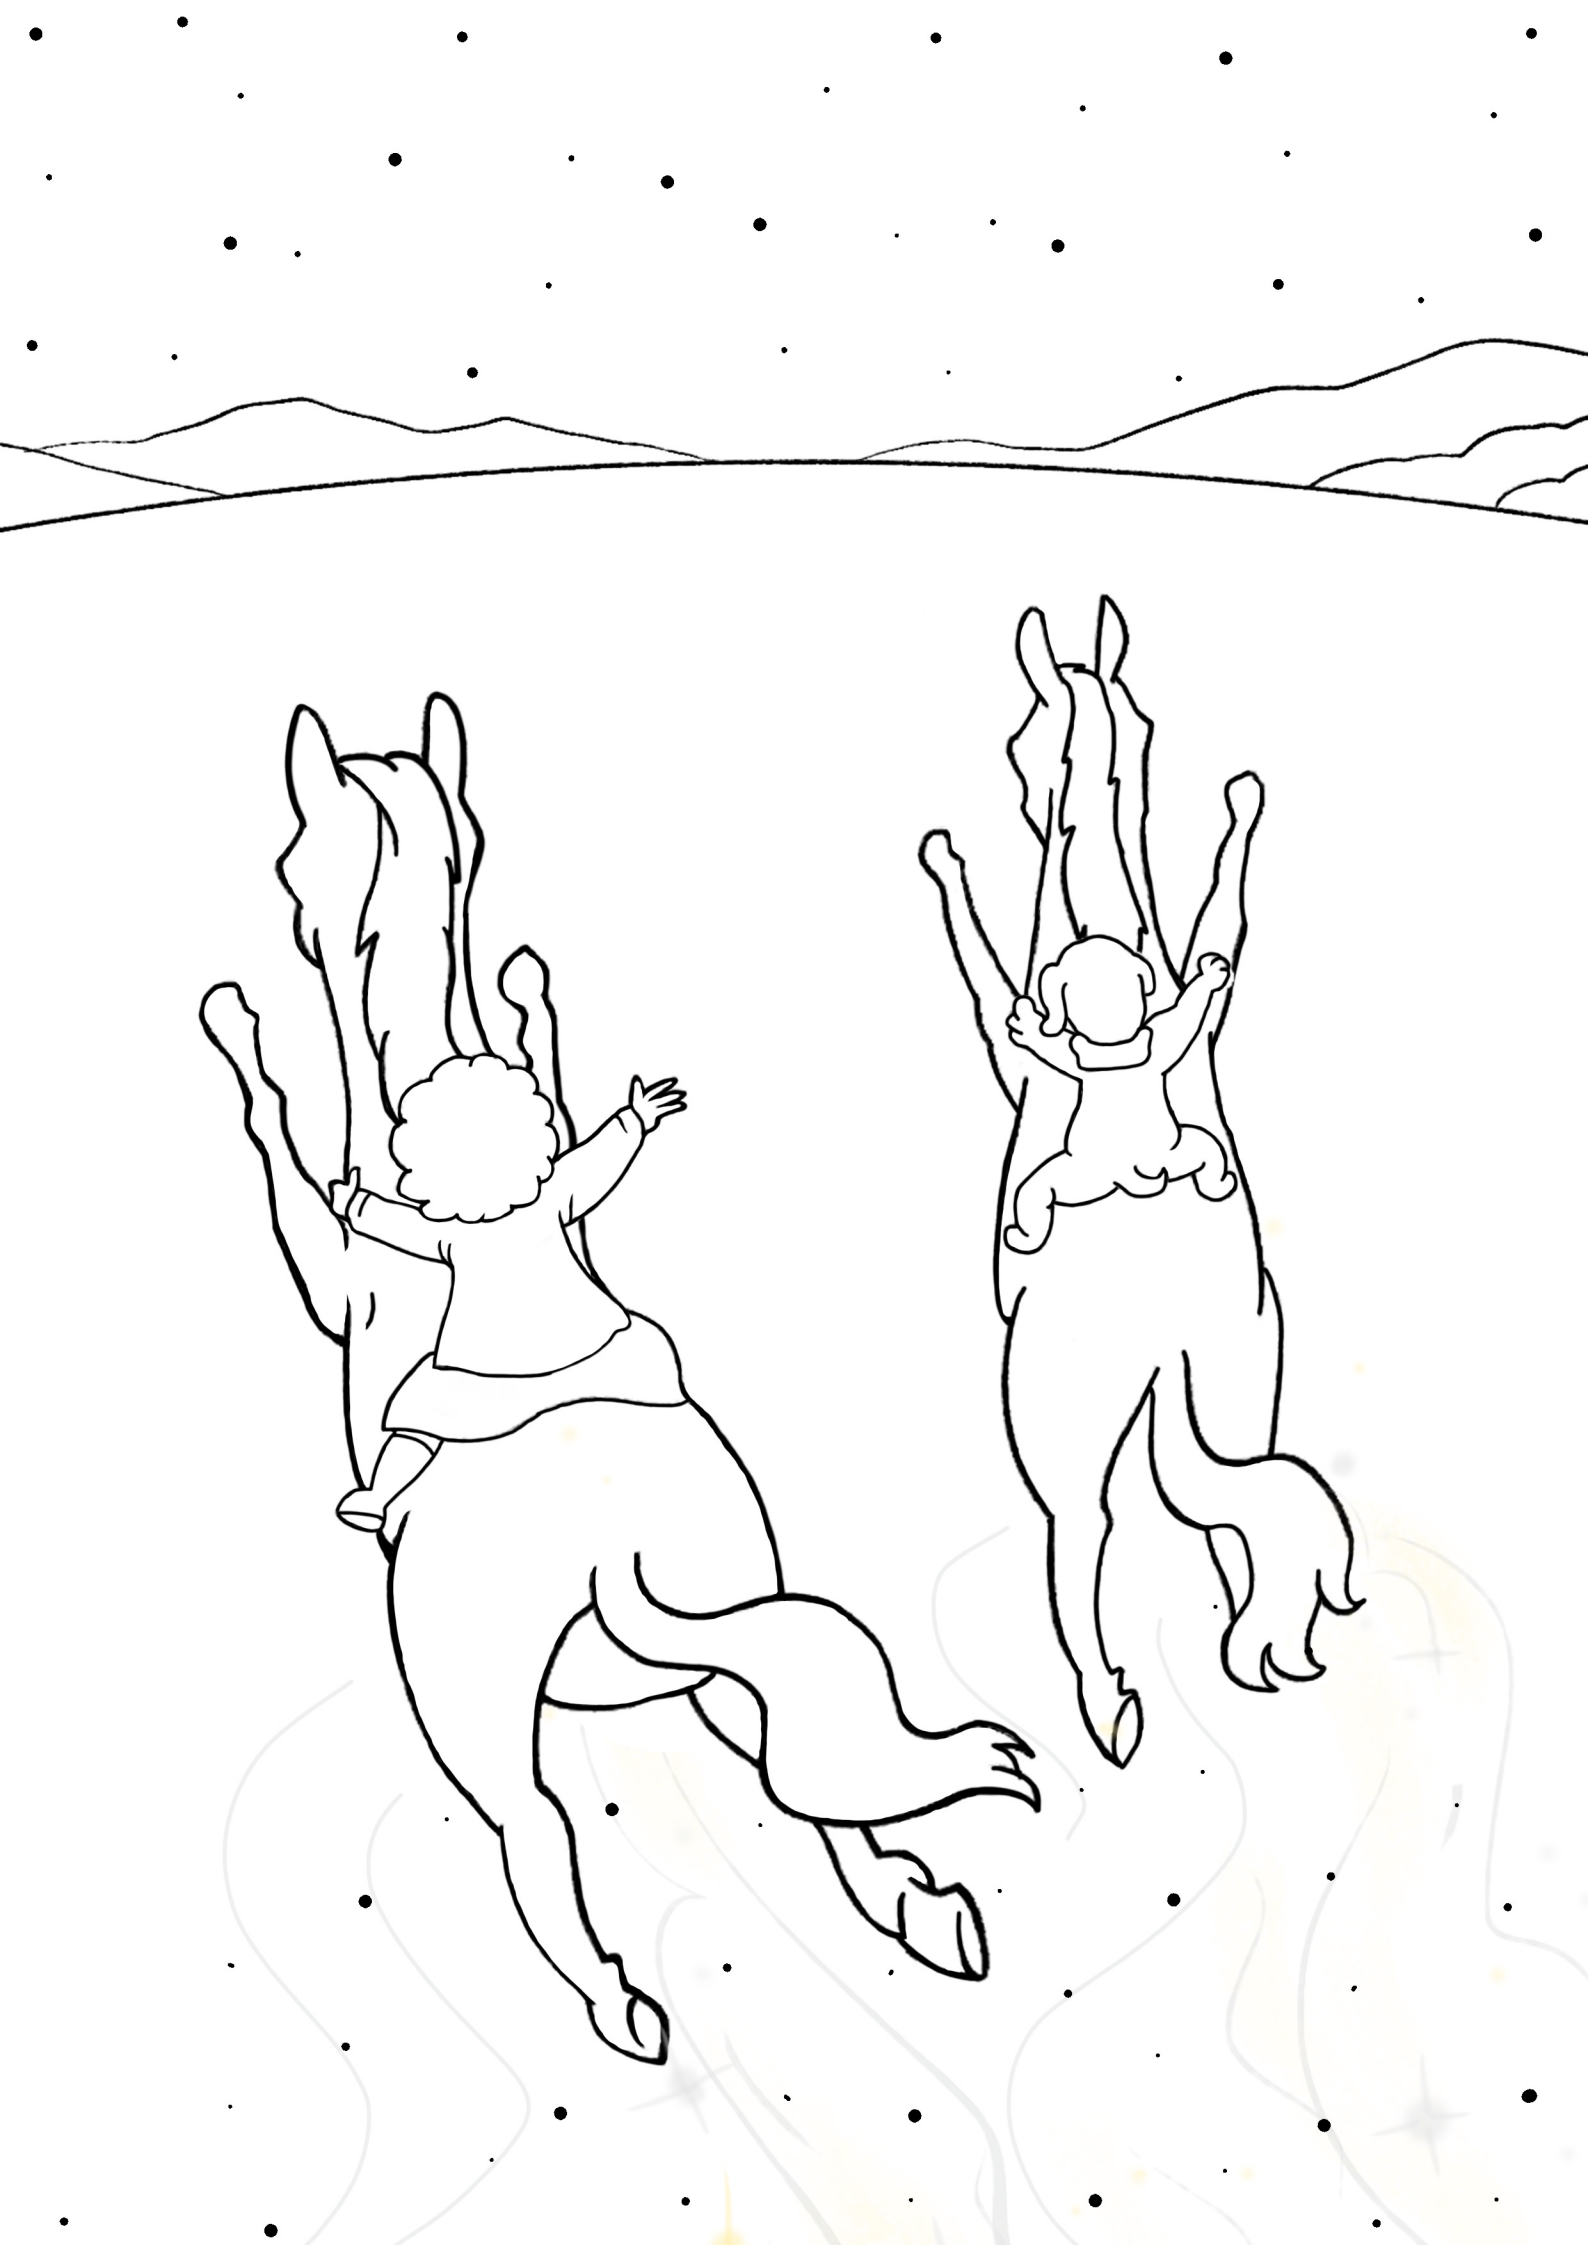

"Wheeee!"

"This is amazing!"

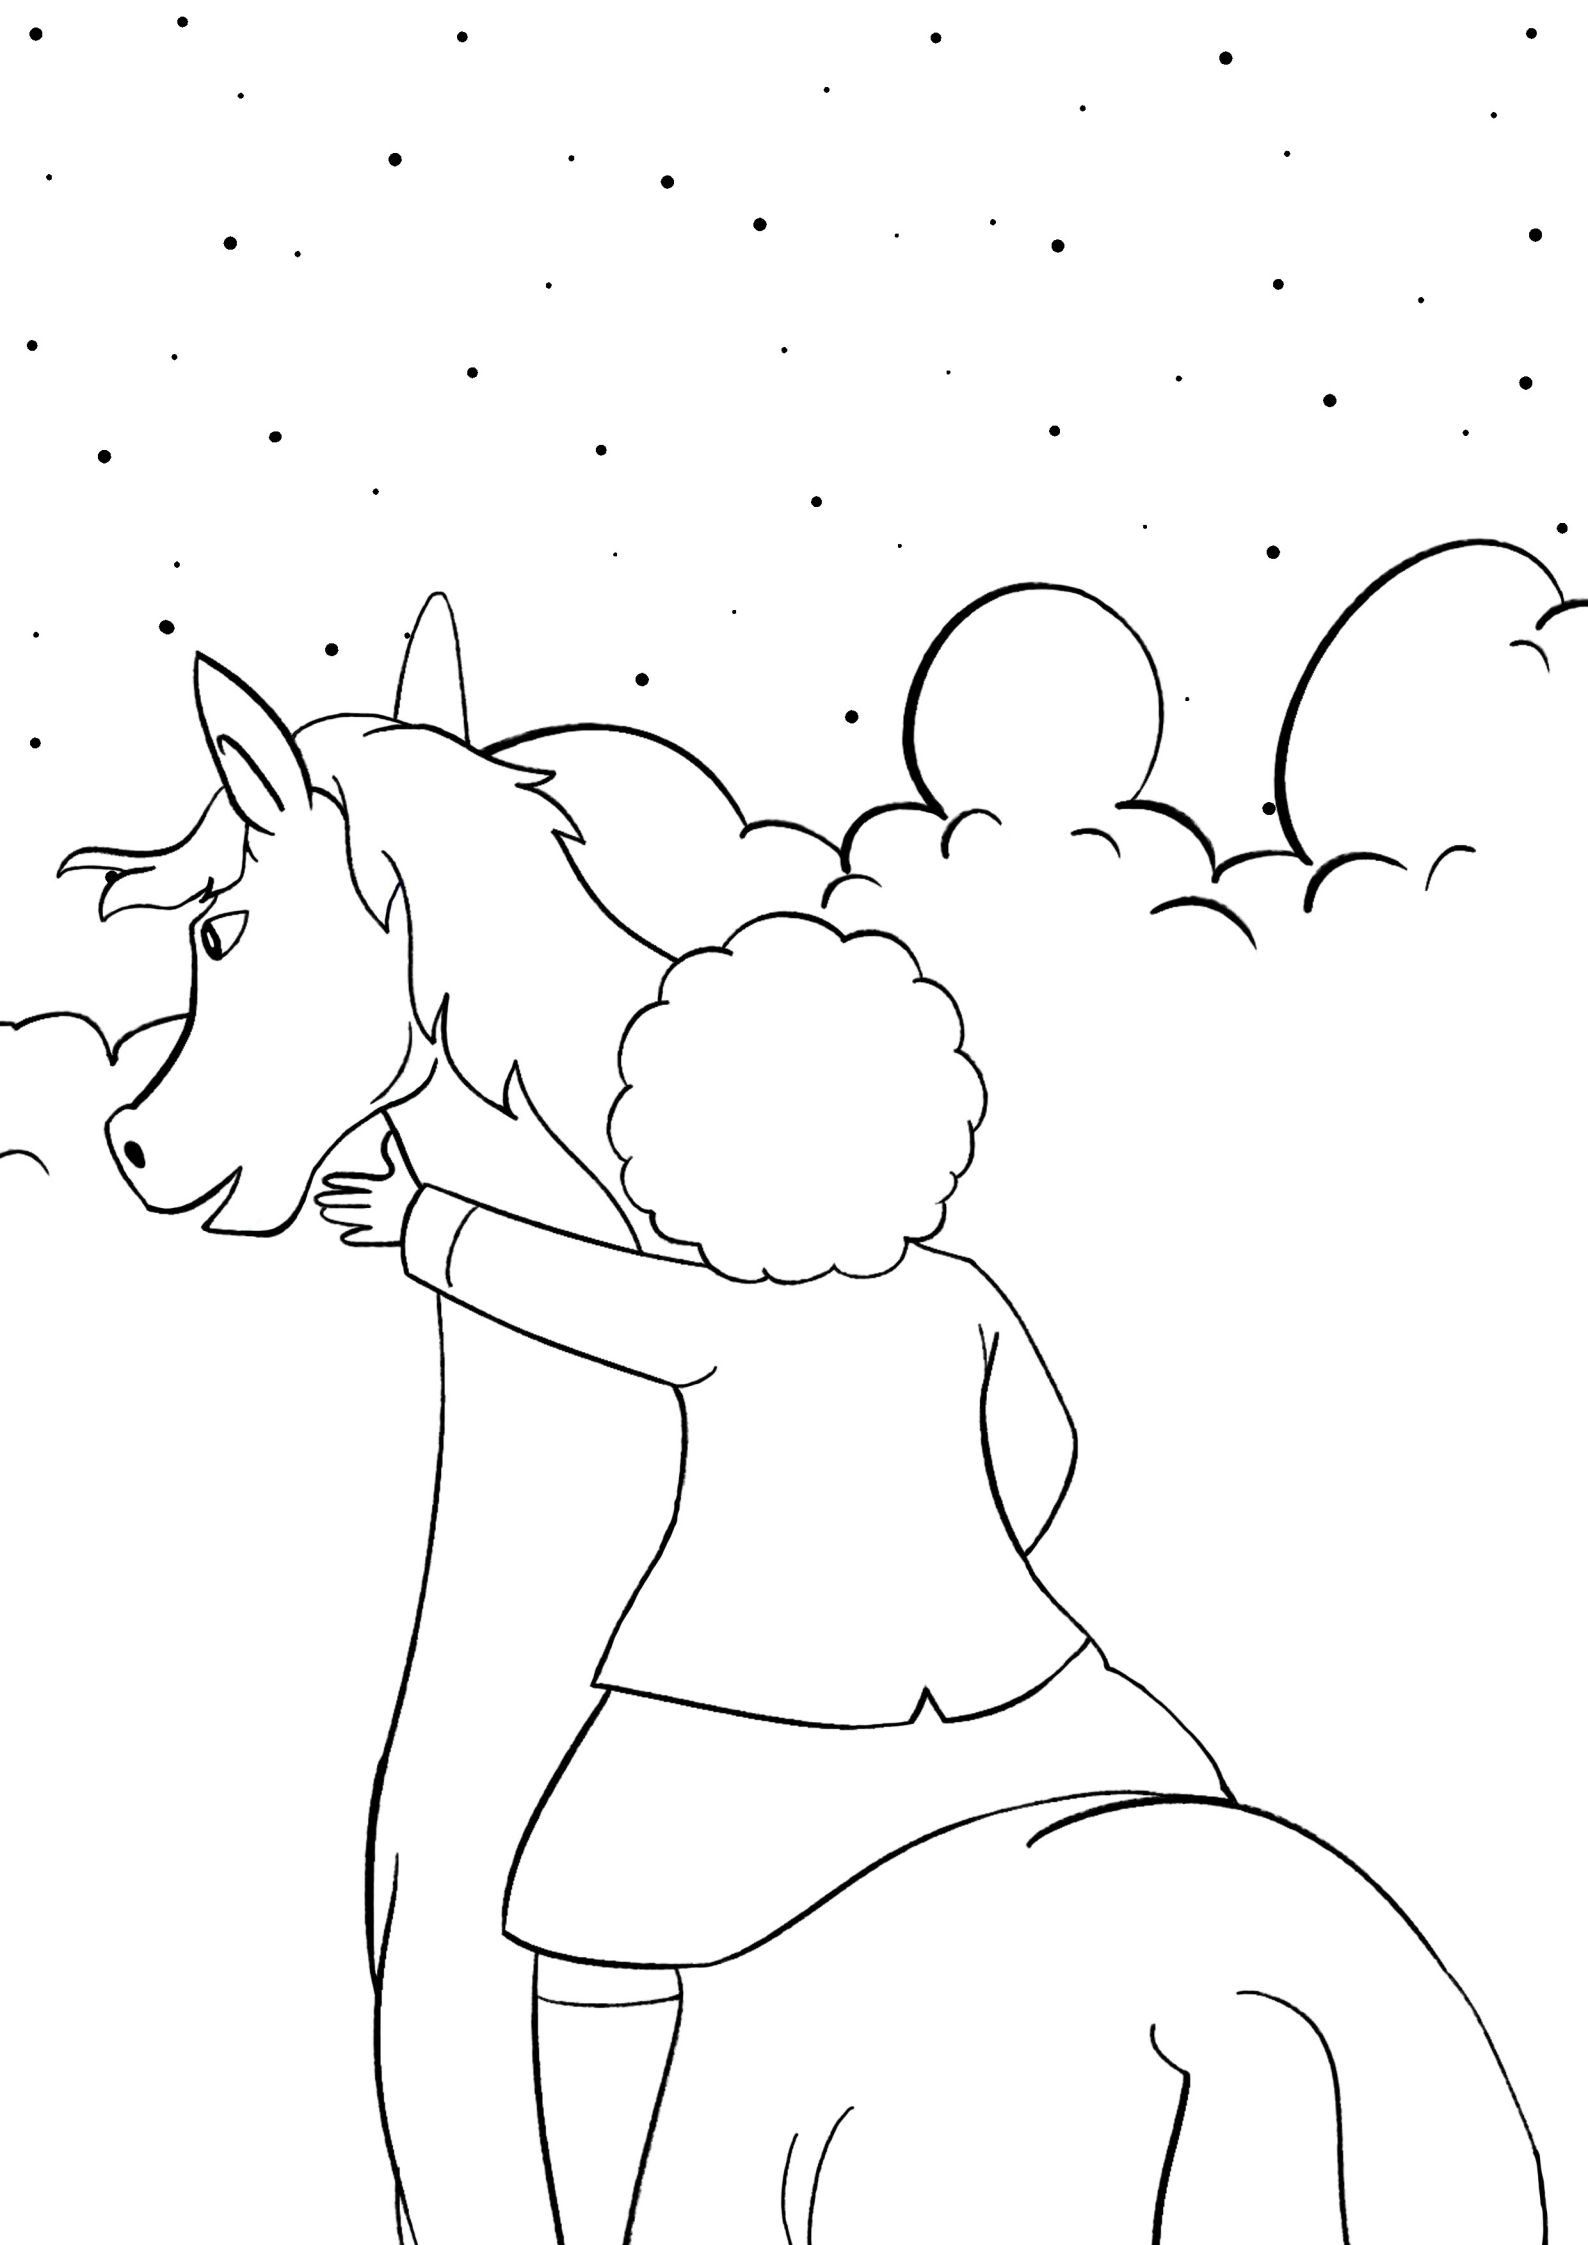

"It's feel so
MAGICAL!"

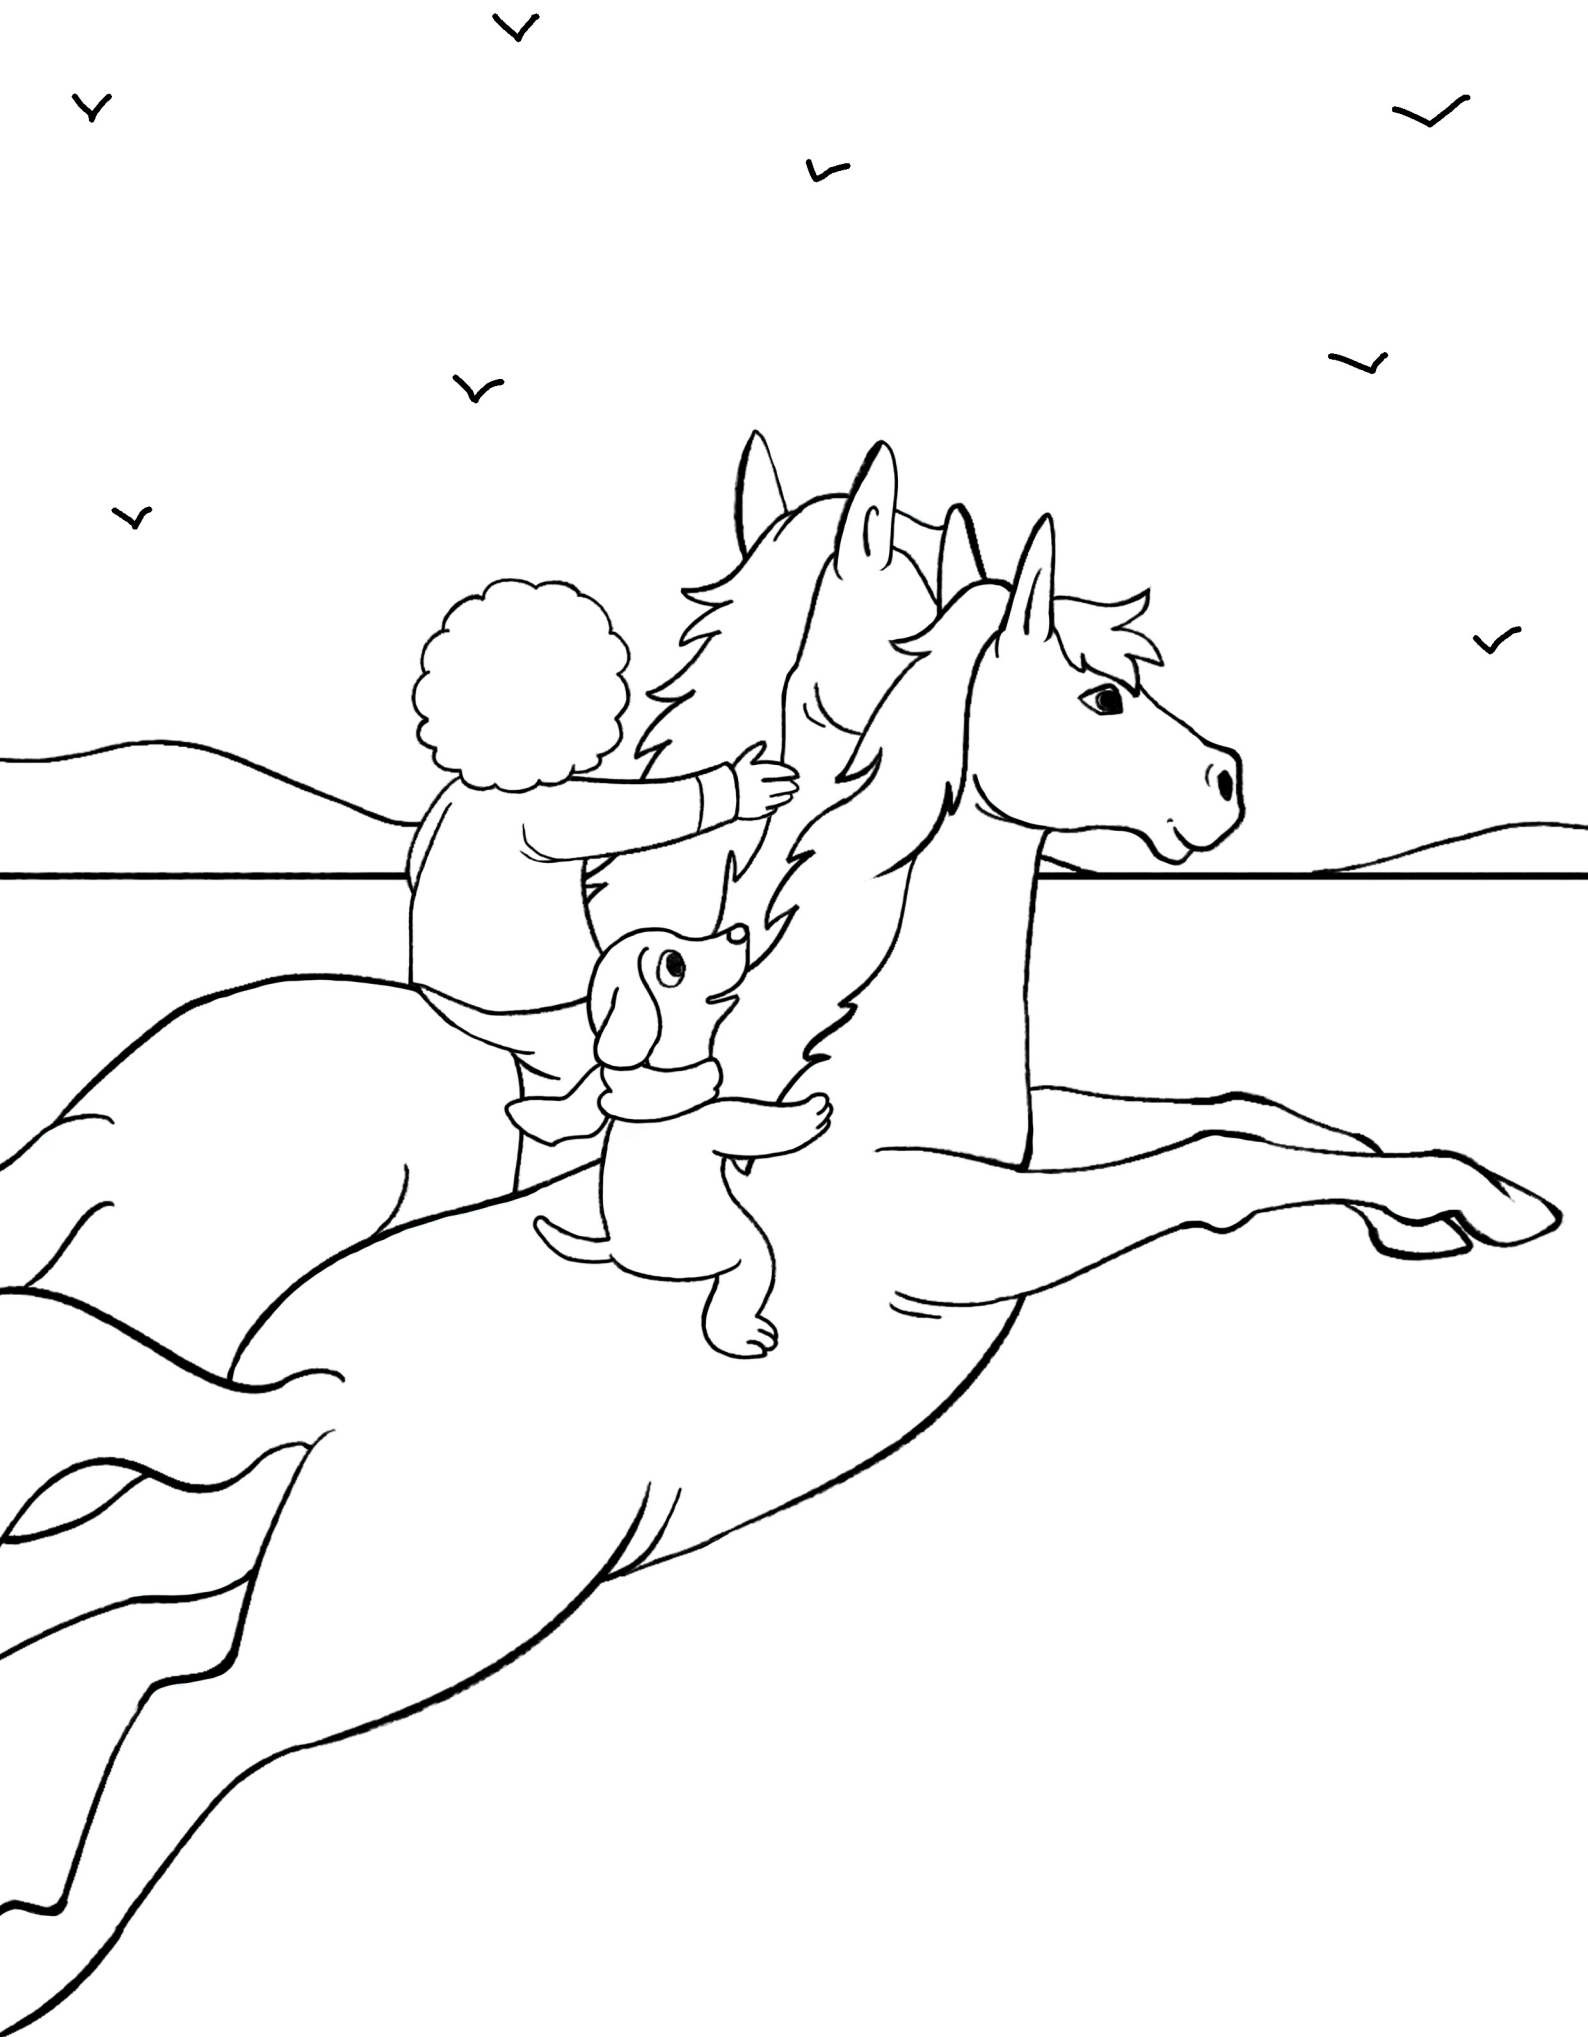

"We will never forget this!"

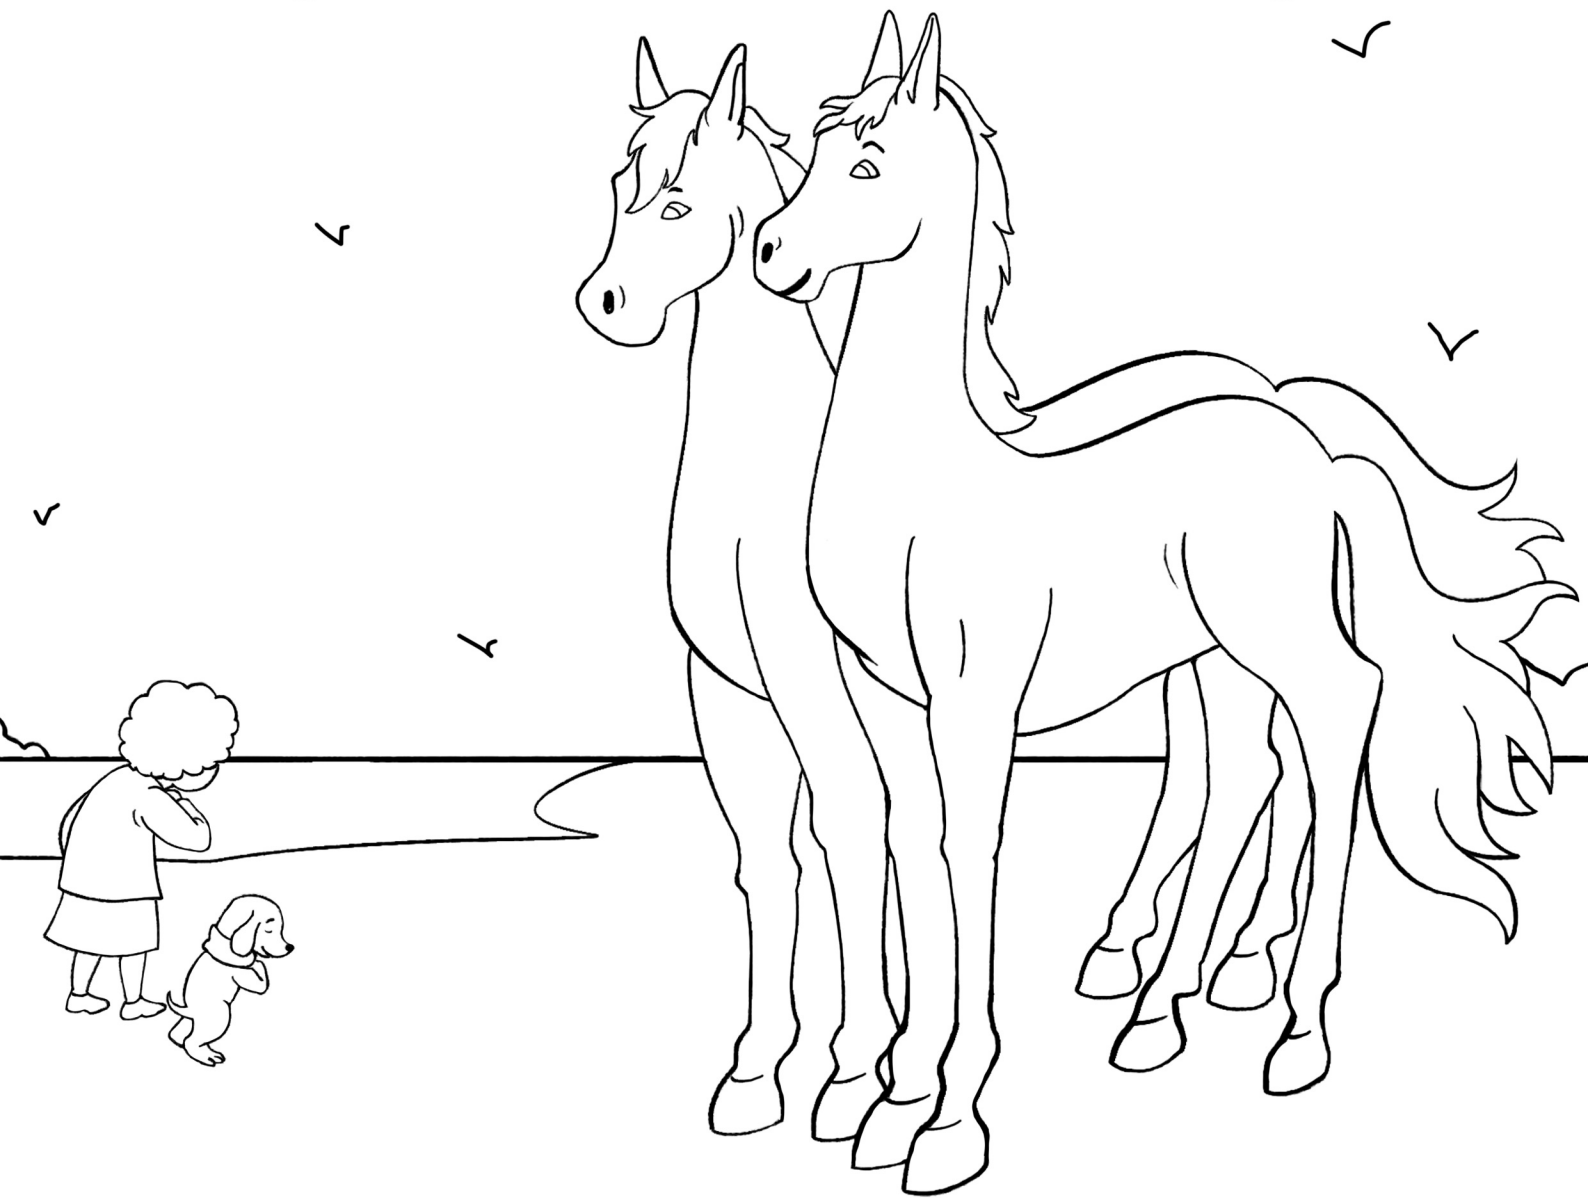

"Remember, this gift is a secret."

"The magic stays
when it's shared
only believers."

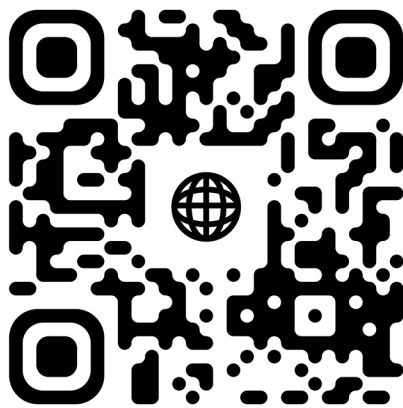

"I can't believe
we were so lucky!"
