"Will we be able to
fly, Hamish?"

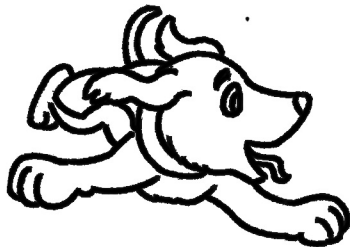

The train stopped
and the doors open
with a swoosh.

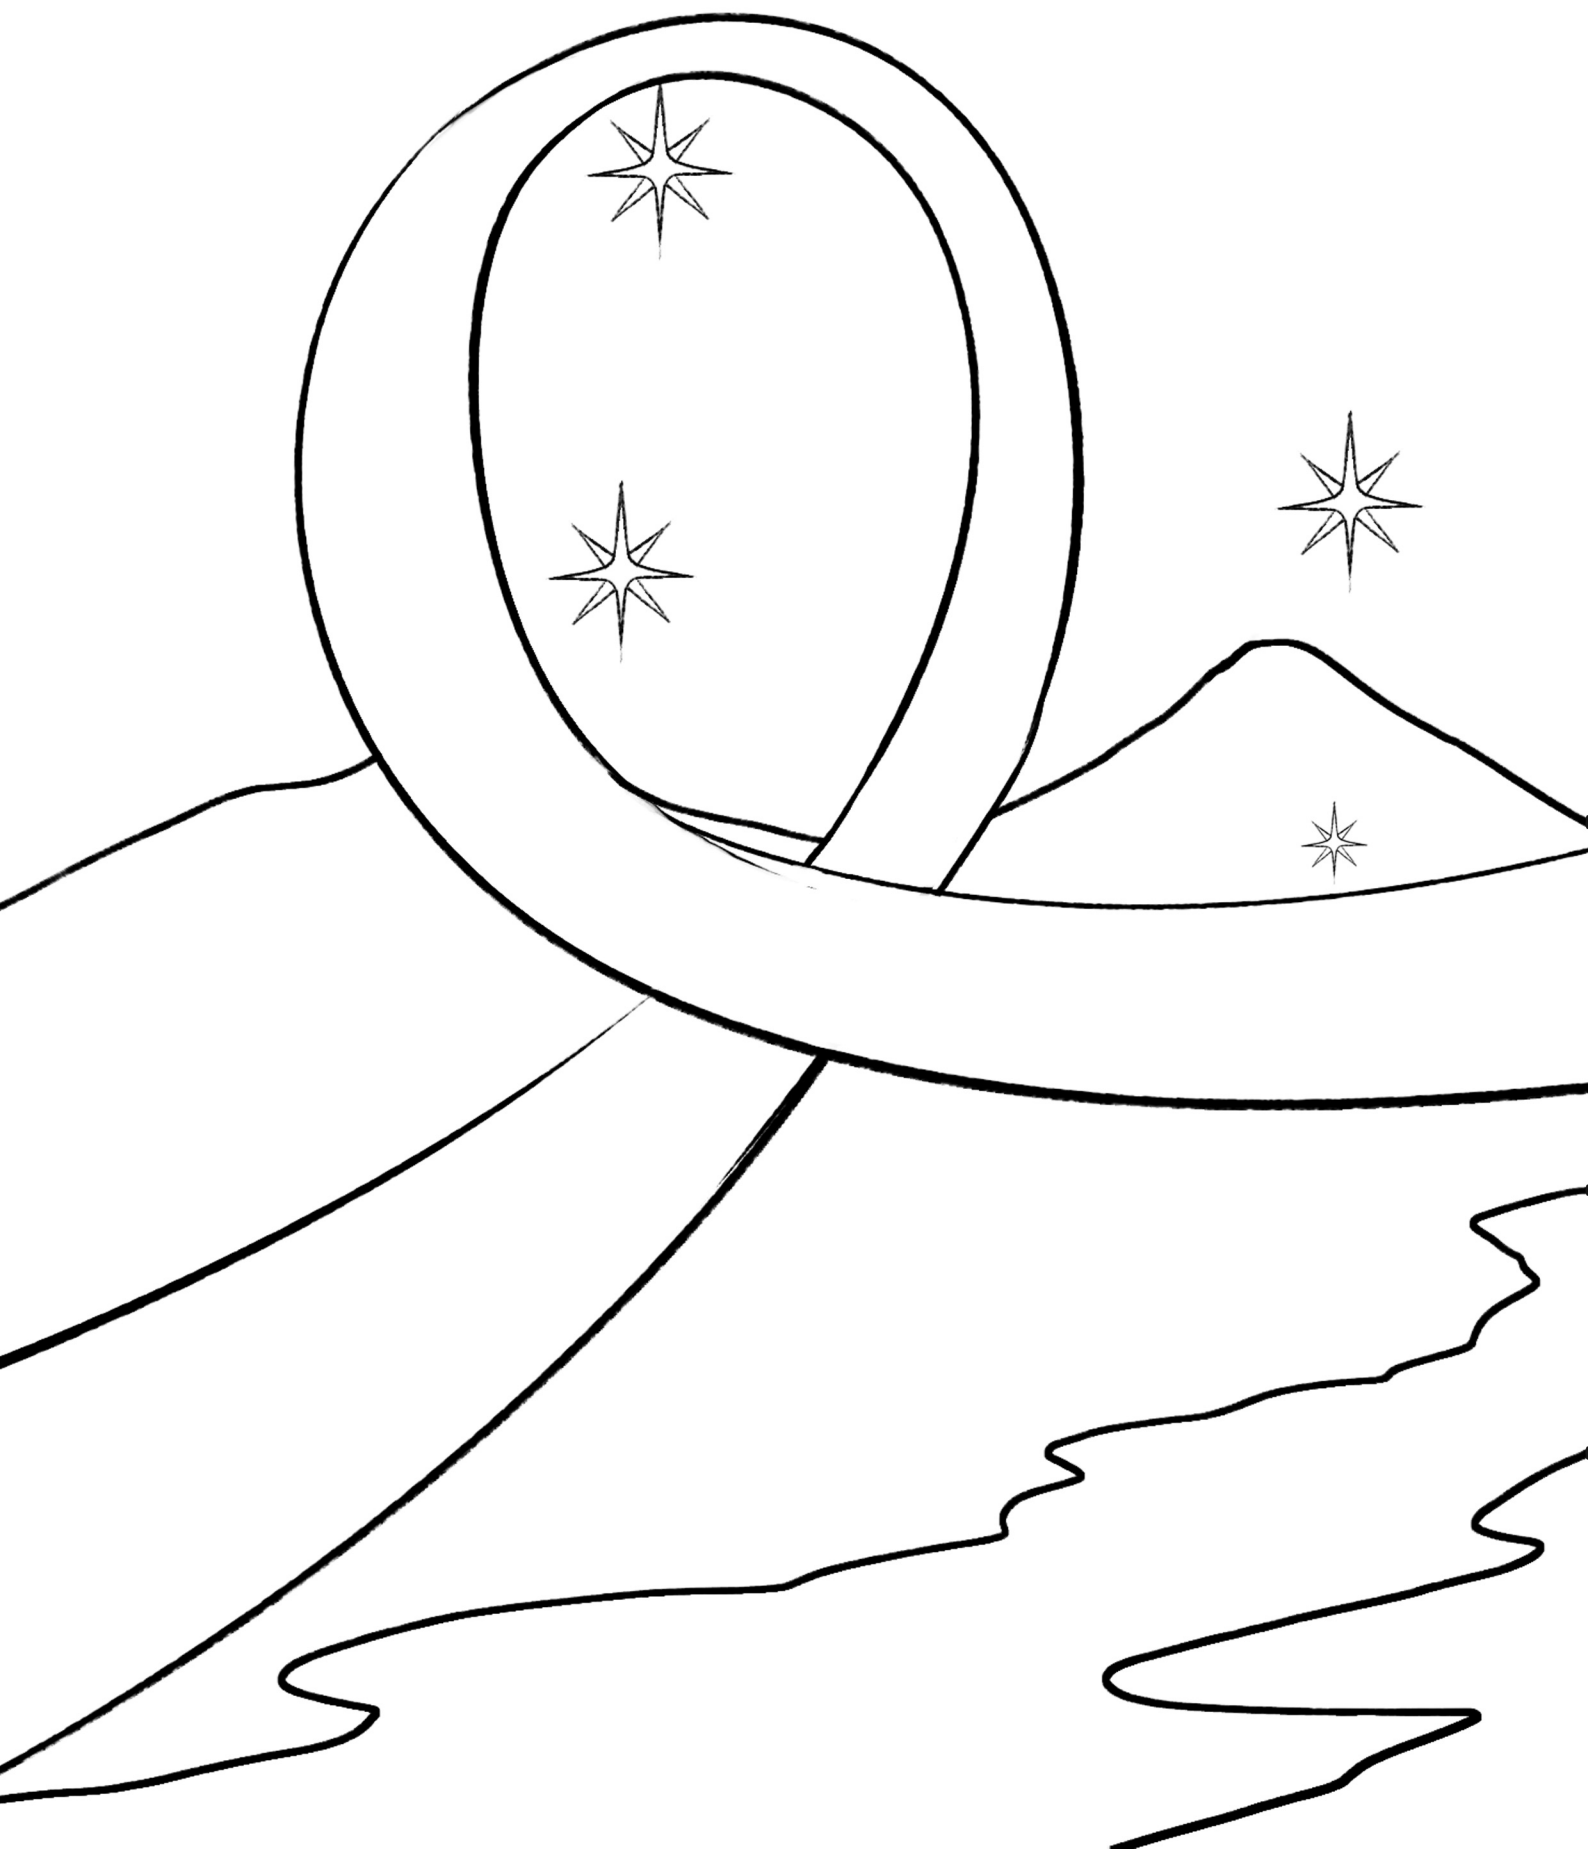

"I'm Sgur Thuilm,
the wizard of
Glenfinnan Viaduct."

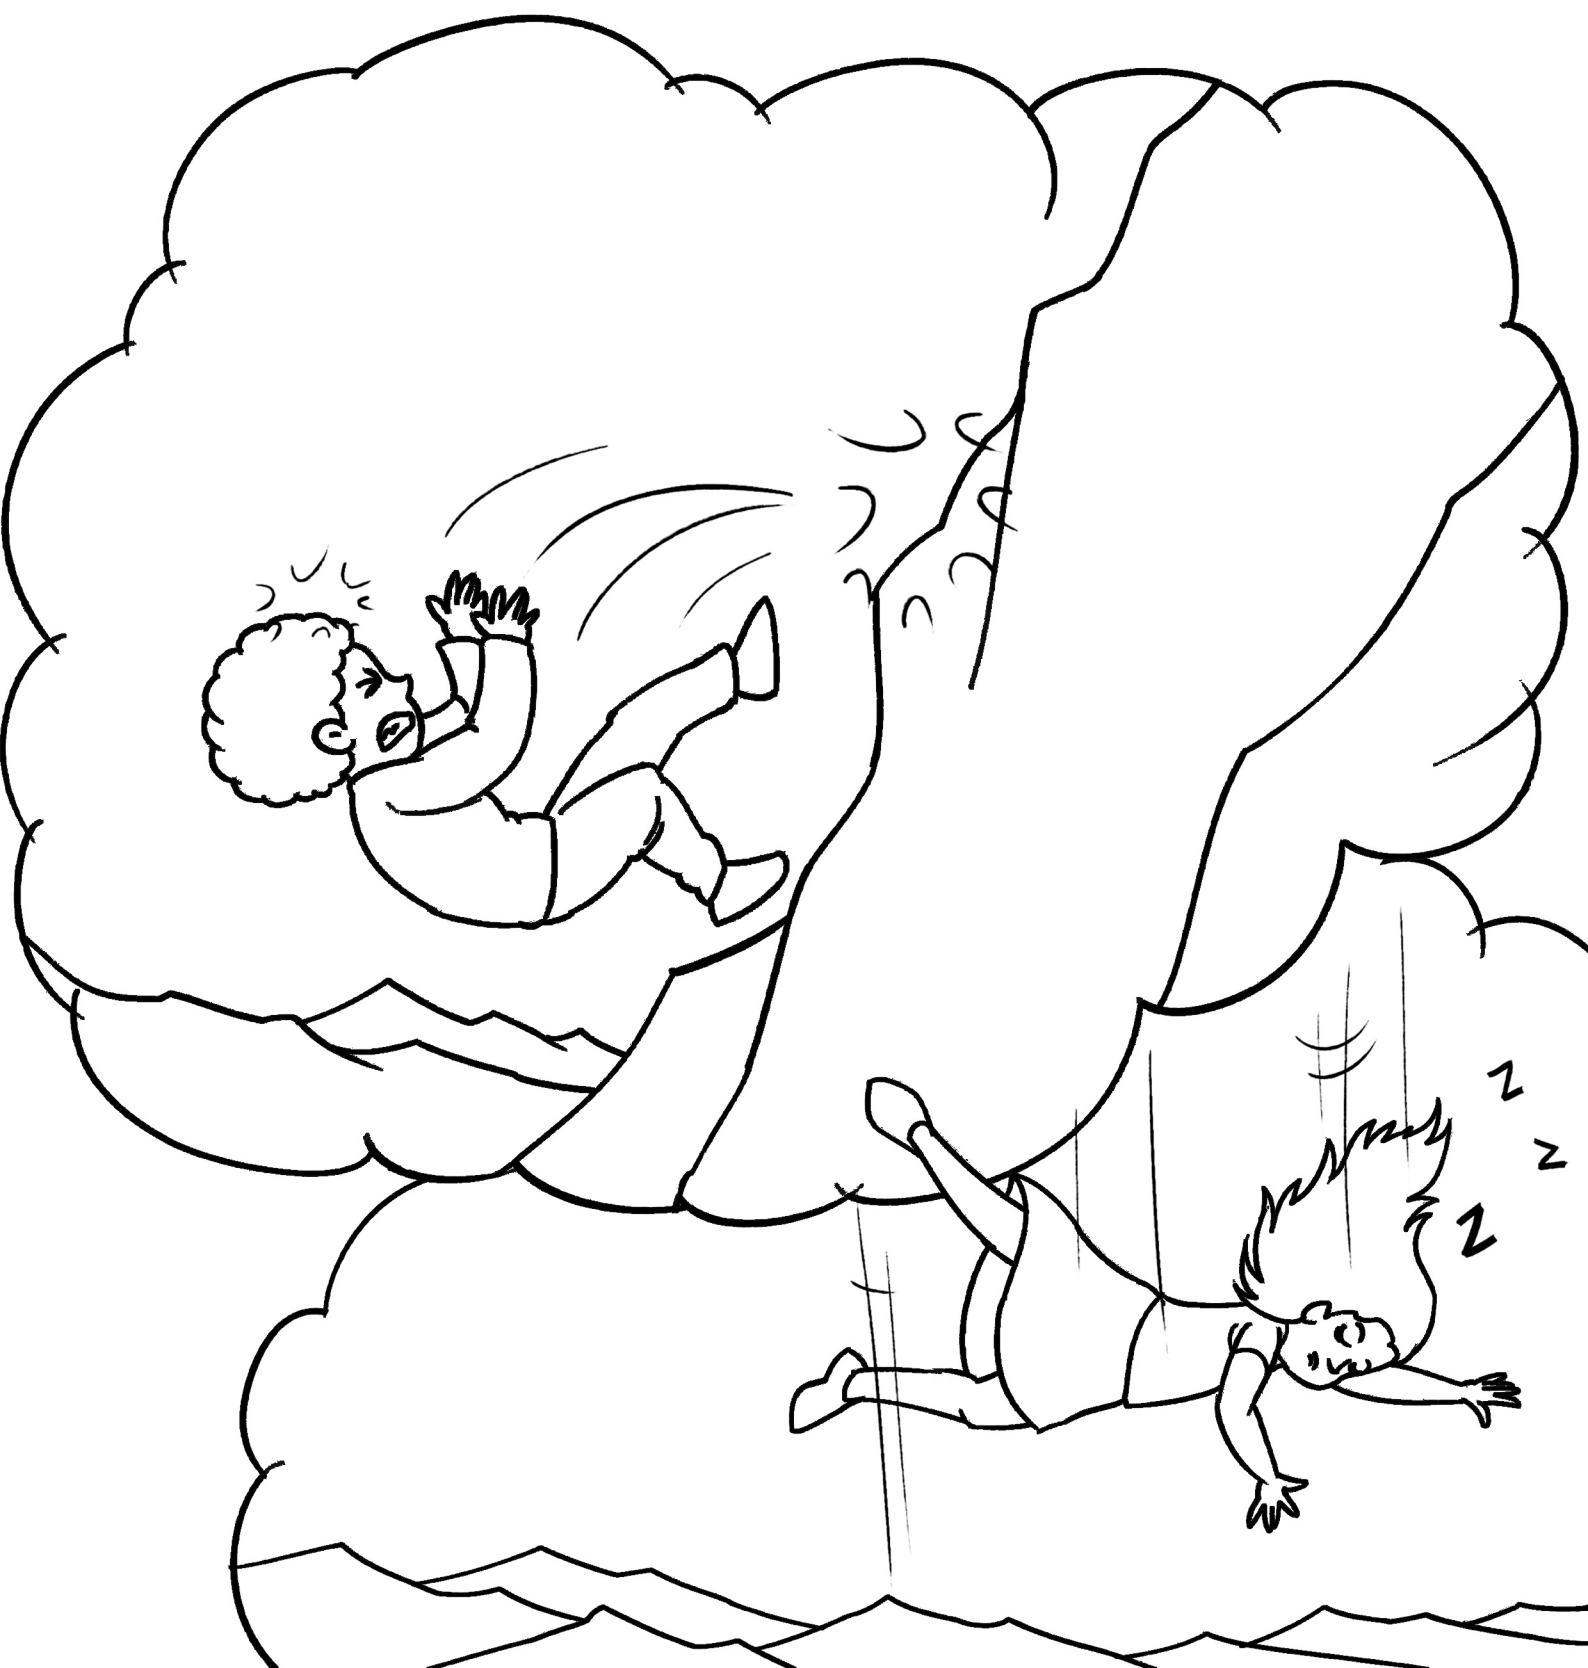

"Leg's go on a tour!"

**"How about another adventure?
Would you like to help me
reverse the spell on the bridge"**

"How can we help?"

"Well, the flying spell
was an accident. One
night I was on the
bridge practising magic.
Suddenly a humongous
bird as big as a dragon
swooped down beside
me..."
